Public Hearing - Confidential Company (Project Nickel) to Consider a "STEP 4" Economic Development Incentive Grant in an Amount Not to Exceed \$2,350,000 Paid over a Five-Year Period

INFORMATION CONTACT:

Ron Mahle, Economic Development, Director, 980-476-5279

ACTION REQUESTED:

Conduct Public Hearing.

PRIOR BOARD ACTIONS:

None.

BACKGROUND:

The Union County Department of Economic Development started conversations with Confidential Company under codename Project Nickel in mid-2024 about the potential location of an advanced manufacturing operation within Union County valued at approximately \$100,000,000 in a new manufacturing building and the purchase and installation of new sophisticated processing equipment.

The name of the company will be released later contingent upon the award of State of North Carolina economic development incentives.

Based on the anticipated capital investment, it is proposed that the Board award a "STEP 4" Economic Development Incentive Grant in an amount not to exceed \$2,350,000 paid over a five-year period beginning in FY 2028. The value of the incentive grant will be based upon appraised value each year as appraised by the Union County Tax Administration Office. This grant is based on the company's projected investment of approximately \$100,000,000 in new construction and installation of related processing equipment over the grant period, but not less than \$2,000,000. Based on its projected investment in Union County, the current tax rate, and assuming a consistent assessed value with no depreciation, the company will pay estimated ad valorem taxes on the new taxable investment in the amount of \$2,940,000 over the grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

The grant is also contingent upon the company retaining its current number of employees.

FINANCIAL IMPACT:

The project, if brought to Union County, would have an economic development incentive grant in an amount not to exceed \$2,350,000 but would generate approximately \$2,940,000 over the five-year grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

The Management Team recognized Prusiensky's actions by surprising him with the Lifesaver Award on December 10, 2024. This is the second time he has received the prestigious award. [25-058](#)**Grant Application - FY2026 Juvenile Crime Prevention Council (JCPC) Funding for Parenting Support and Nurturing Parenting Program****INFORMATION CONTACT:**

Stephanie Starr, Human Services Agency - Community Support and Outreach Department, Director, 704-296-4302

ACTION REQUESTED:

Authorize the County Manager to submit the associated grant application and make necessary assurances and certifications associated with the grant application as substantially consistent with this agenda item, which includes the authorization to execute documents and budget funds as appropriate.

PRIOR BOARD ACTIONS:

- 1) March 20, 2023, Regular Meeting, Agenda Item # 23-129 - Approved Grant Application - FY2024 Juvenile Crime Prevention Council (JCPC) Funding for Parenting Support and Nurturing Parenting Program
- 2) February 5, 2024, Regular Meeting, Agenda Item #24-089- Grant Application- FY25 JCPC Funding for Parenting Support and Nurturing Parenting Program
- 3) December 16, 2024, Regular Meeting, Agenda Item #24-834 - Budget Amendment- NC Department of Public Safety- JCPC Funding FY25.

BACKGROUND:

The Human Services Agency Division of Community Support and Outreach seeks approval to apply for FY2026 JCPC funding to support

our Parenting Support and Nurturing Parenting (PSNP) program. We received \$21,500 in JCPC funding for FY2024, \$17,000 in FY2025, and are requesting up to \$25,000 in additional JCPC funding for FY2025. Before receiving JCPC funds in FY2024, PSNP, in its 12th year under the administration by the County, was only available for at-risk parents of children birth to five due to stipulations on the funding through Alliance for Children. In FY2024 and FY2025, Union County received \$135,008 in Alliance for Children Smart Start Funding, which covers 1.5 FTE facilitators, program handbooks and assessment tools, as well as incentives for motivation, retention, & graduation of program clients. JCPC funding enables the county to serve families with children 6-17.

PSNP has the potential to impact local child maltreatment recidivism rates and affect the generational ripple outcomes on families. The program tracks parents who complete all sessions and successfully graduate, boasting a current success rate of 90.8% with a total of 410 parents who have completed the full 13-week program throughout PSNP's history. In 2015, research determined that the estimated per-victim cost of non-fatal child maltreatment in our country increased from \$210,012 (2010 USD), as reported in Fang et al.2 in 2012, to \$830,928 (2015 USD). This updated figure considers the value per statistical life regarding child maltreatment mortality and the monetized quality-adjusted life years regarding child maltreatment morbidity. In FY2024, 33 Union County parents successfully completed the program and served 68 children aged 0-5. Parenting Support and Nurturing Parenting is a valuable investment that produces high returns for our children and community.

FINANCIAL IMPACT:

\$25,000 requested from the JCPC grant requires a 30% in-kind local match that will be met using supervision time and associated overhead program rent.

Appointment of Deputy Finance Officer

INFORMATION CONTACT:

Beverly Liles, Finance Director, 704-283-3675

ACTION REQUESTED:

Appoint John Buchanan, Assistant Finance Director, to serve as a "Deputy Finance Officer" in order to pre-audit obligations

PRIOR BOARD ACTIONS:

None

BACKGROUND:

G.S. 159-8 directs that no county "may expend any moneys...except in accordance with a budget ordinance or project ordinance."

The pre-auditing of obligations, required by G.S. 159-28(a), is a principal legal mechanism for assuring compliance with the budget ordinance and each project ordinance. The pre-audit rule provides that no obligation may be incurred in an activity accounted for in a fund project ordinance unless two requirements are met. First, the obligation must be authorized; that is, one of the ordinances must contain an appropriation to cover it. Second, the authorization must not be exhausted; sufficient unspent and unencumbered funds must remain in the appropriation to meet the obligation when it comes due. Only if both requirements are met is the obligation validly incurred.

Completion of this two-stage review is evidenced by placing the finance officer's certificate on the obligations. Having the deputy finance officer authorized to pre-audit obligations is important and such delegation will occur only with the approval of the County's finance officer and only when adequate internal controls are built into the payment procedures that are used

Financing Letter - Lanes Creek Volunteer Fire Department

INFORMATION CONTACT:

Patrick Niland, County Manager's Office, Deputy County Manager,
704-283-3630

ACTION REQUESTED:

Authorize Board Chair to sign the attached letter.

PRIOR BOARD ACTIONS:

January 6, 2025, Regular Meeting, Agenda Item # 25-005 - Appointed Fire Chief Robert Sweatt to hold a public hearing with respect to the proposed tax-exempt financing and provide a report of such hearing to the Union County Board of Commissioners.

BACKGROUND:

Lanes Creek Volunteer Fire Department, Inc. (the "Fire Department") desires to construct a new fire station. The Fire Department desires to issue certain tax-exempt bonds in order to finance the project. In order for the Fire Department to issue such tax-exempt bonds for the project, the Internal Revenue Code requires a public hearing and approval of the governing body of the political subdivision where the project is located. Such approval does not make Union County liable for repayment of the debt, it does not constitute a debt of Union County, and it does not implicate the taxing powers of the County.

Based on Board action during the January 6, 2025 Regular Meeting, the Fire Department held a public hearing. As part of the financing documents, the bank requires a letter from Union County, signed by the chair, stating that Lanes Creek is allowed to provide fire service in Union County, they are in good standing, the fire tax district supports fire operations, and that the department has made the county aware of this financing agreement.

ACTION REQUESTED:

1) Award a "STEP 4" Economic Development Incentive Grant in an amount not to exceed \$2,350,000 over a five-year period and 2) authorize the County Manager to negotiate and execute an agreement substantially consistent with this agenda item.

PRIOR BOARD ACTIONS:

February 3, 2025, Regular Meeting, Agenda Item # 25-049 - Conduct Public Hearing.

BACKGROUND:

The Union County Department of Economic Development started conversations with Confidential Company under codename Project Nickel in mid-2024 about the potential location of an advanced manufacturing operation within Union County valued at approximately \$100,000,000 in a new manufacturing building and the purchase and installation of new sophisticated processing equipment.

The name of the company will be released later contingent upon the award of State of North Carolina economic development incentives. Based on the anticipated capital investment, it is proposed that the Board award a STEP 4 Economic Development Incentive Grant in an amount-not-to-exceed \$2,350,000 paid over a 5-year period beginning in FY 2028. The value of the incentive grant will be based upon appraised value each year as appraised by the Union County Tax Administration

Office. This grant is based on the company's projected investment of approximately \$100,000,000 in new construction and installation of related processing equipment over the grant period, but not less than \$2,000,000. Based on its projected investment in Union County, the current tax rate, and assuming a consistent assessed value with no depreciation, the company will pay estimated ad valorem taxes on the new taxable investment in the amount of \$2,940,000 over the grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments. The grant is also contingent upon the company retaining its current number of employees.

FINANCIAL IMPACT:

The project, if brought to Union County, would have an economic development incentive grant in an amount-not-to-exceed \$2,350,000 but would generate approximately \$2,940,000 over the 5-year grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

PRIOR BOARD ACTIONS:

November 6, 2023, Regular Meeting, Agenda Item # 23-755 - 1)

Approved staff to apply for a North Carolina Farmland Preservation Trust Fund grant application for a conservation easement development grant,

2) Approved the Union County Soil & Water Conservation District to purchase and hold conservation easements for land preservation in

Union County, and 3) Adopted Budget Amendment # 14 appropriating the County's General Fund unassigned fund balance in the amount of \$969,006 to be used for the purchase of conservation easements and associated transaction costs.

BACKGROUND:

Union County is currently ranked 13th in the United States for open space land loss on a per year basis according to the latest research published by the American Farmland Trust. Over the last 4 fiscal years, Union County has lost 3,191 acres (FY2020), 2,892 acres (FY2021), 3,625 acres (FY2022), and 2,419 acres (FY2023) from parcels enrolled in present use value (PUV) alone. According to the 2022 NCDA Census of Agriculture, Union County has 186,626 acres of farmland. In the Business-as-Usual scenario published by NC FarmLink, Union County is slated to lose 51,500 acres of current farmland by 2040. This scenario would represent approximately a 28% reduction in total farmland acreage in Union County by 2040.

The creation of the Union County Land Preservation & Easement program will allow landowners to sell and/or donate the development rights to their property while still obtaining ownership of the land. By selling and/or donating the development rights, open space and agricultural land will be preserved through conservation easements held by the Union County Soil & Water Conservation District. The District will be responsible for monitoring and inspections of easements to maintain compliance within the program. The use of present use value (PUV) rollback funds will provide financial resources to the Union County Soil & Water Conservation District for the easement purchases and all associated transaction costs. FY2024 funding is currently held in fund balance and is not allocated to any specific budget line. These funds are held in a Union County budget line and all non-encumbered funds will rollover at the end of each fiscal year.

FINANCIAL IMPACT:

1) \$721,575 for the purchase of Easement 90-2025-001 and 2) \$885,991 to be assigned to the Union County Land Preservation & Easement program budget line.

Public Hearing - Confidential Company (Project Nickel) to Consider a "STEP 4" Economic Development Incentive Grant in an Amount Not to Exceed \$2,350,000 Paid over a Five-Year Period

INFORMATION CONTACT:

Ron Mahle, Economic Development, Director, 980-476-5279

ACTION REQUESTED:

Conduct Public Hearing.

PRIOR BOARD ACTIONS:

None.

BACKGROUND:

The Union County Department of Economic Development started conversations with Confidential Company under codename Project Nickel in mid-2024 about the potential location of an advanced manufacturing operation within Union County valued at approximately \$100,000,000 in a new manufacturing building and the purchase and installation of new sophisticated processing equipment.

The name of the company will be released later contingent upon the award of State of North Carolina economic development incentives.

Based on the anticipated capital investment, it is proposed that the Board award a "STEP 4" Economic Development Incentive Grant in an amount not to exceed \$2,350,000 paid over a five-year period beginning in FY 2028. The value of the incentive grant will be based upon appraised value each year as appraised by the Union County Tax Administration Office. This grant is based on the company's projected investment of approximately \$100,000,000 in new construction and installation of related processing equipment over the grant period, but not less than \$2,000,000. Based on its projected investment in Union County, the current tax rate, and assuming a consistent assessed value with no depreciation, the company will pay estimated ad valorem taxes on the new taxable investment in the amount of \$2,940,000 over the grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

The grant is also contingent upon the company retaining its current number of employees.

FINANCIAL IMPACT:

The project, if brought to Union County, would have an economic development incentive grant in an

amount not to exceed \$2,350,000 but would generate approximately \$2,940,000 over the five-year grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

Grant Application - FY2026 Juvenile Crime Prevention Council (JCPC) Funding for Parenting Support and Nurturing Parenting Program

INFORMATION CONTACT:

Stephanie Starr, Human Services Agency - Community Support and Outreach Department, Director, 704-296-4302

ACTION REQUESTED:

Authorize the County Manager to submit the associated grant application and make necessary assurances and certifications associated with the grant application as substantially consistent with this agenda item, which includes the authorization to execute documents and budget funds as appropriate.

PRIOR BOARD ACTIONS:

- 1) March 20, 2023, Regular Meeting, Agenda Item # 23-129 - Approved Grant Application - FY2024 Juvenile Crime Prevention Council (JCPC) Funding for Parenting Support and Nurturing Parenting Program
- 2) February 5, 2024, Regular Meeting, Agenda Item #24-089- Grant Application- FY25 JCPC Funding for Parenting Support and Nurturing Parenting Program
- 3) December 16, 2024, Regular Meeting, Agenda Item #24-834 - Budget Amendment- NC Department of Public Safety- JCPC Funding FY25.

BACKGROUND:

The Human Services Agency Division of Community Support and Outreach seeks approval to apply for FY2026 JCPC funding to support our Parenting Support and Nurturing Parenting (PSNP) program. We received \$21,500 in JCPC funding for FY2024, \$17,000 in FY2025, and are requesting up to \$25,000 in additional JCPC funding for FY2025. Before receiving JCPC funds in FY2024, PSNP, in its 12th year under the administration by the County, was only available for at-risk parents of children birth to five due to stipulations on the funding through Alliance for Children. In FY2024 and FY2025, Union County received \$135,008 in Alliance for Children Smart Start Funding, which covers 1.5 FTE facilitators, program handbooks and assessment tools, as well as incentives for motivation, retention, & graduation of program clients. JCPC funding enables the county to serve families with children 6-17.

PSNP has the potential to impact local child maltreatment recidivism rates and affect the generational ripple outcomes on families. The program tracks parents who complete all sessions and successfully graduate, boasting a current success rate of 90.8% with a total of 410 parents who have completed the full 13-week program throughout PSNP's history. In 2015, research determined that the estimated

per-victim cost of non-fatal child maltreatment in our country increased from \$210,012 (2010 USD), as reported in Fang et al.2 in 2012, to \$830,928 (2015 USD). This updated figure considers the value per statistical life regarding child maltreatment mortality and the monetized quality-adjusted life years regarding child maltreatment morbidity. In FY2024, 33 Union County parents successfully completed the program and served 68 children aged 0-5. Parenting Support and Nurturing Parenting is a valuable investment that produces high returns for our children and community.

FINANCIAL IMPACT:

\$25,000 requested from the JCPC grant requires a 30% in-kind local match that will be met using supervision time and associated overhead program rent.

ACTION REQUESTED:

Approve the request to advertise delinquent taxes as required by North Carolina General Statutes.

PRIOR BOARD ACTIONS:

None.

BACKGROUND:

As required by NCGS 105-369, tax collectors are to submit a report of the amount of unpaid taxes constituting liens on real property. Per the statute, this report is to be delivered to the Commissioners in the month of February. The balance shown on the report for 2024 is the outstanding amount as of January 15, 2025. During the month of February, all accounts owing taxes included in this report will have received a second notice of taxes due. This notice also serves as the notification of the intent to advertise unpaid taxes remaining due at the end of February. Upon the approval of the initial report, any taxes remaining unpaid at the end of February will be advertised during the month of April in the paper of general circulation in Union County. A copy of the report is available for review in the Office of the Clerk to the Board of Commissioners located in the Union County Government Center at 500 North Main Street, Room 914, Monroe, NC.

FINANCIAL IMPACT:

The only financial impact will be the cost associated with printing the delinquent listing in a local newspaper. This amount is prorated across all the outstanding accounts and the fee is added to those accounts resulting in no associated cost to the County.

Re: Delinquent Tax Lien Advertisement

North Carolina General Statute 105-369 requires that the County Tax Collector report to the governing body the total amount of unpaid taxes for the current fiscal year that are liens on real estate. At that time the governing body shall order the Tax Collector to advertise these liens in a local newspaper.

As of January 15, 2025 the unpaid 2024 taxes that constitute liens on real estate total \$8,519,594.28.

As required by this same statute, the 2024 tax liens will be advertised between March 1, 2025 and June 30, 2025. Our target date for this advertisement is April 14, 2025. The actual publication date will be determined by the newspaper publication schedule. Additionally, delinquent notices will be sent to all taxpayers whose taxes remain unpaid for the 2024 tax year. A copy of the list of delinquent taxpayers is available in the Clerk's office.

Contract Renewal - Skip Tracing Services

INFORMATION CONTACT:

Vann Harrell, Tax Administration, Tax Administrator, 704-283-3748

ACTION REQUESTED:

Authorize the County Manager to 1) negotiate and execute an agreement substantially consistent with this agenda item, 2) exercise any renewal or extension term options set forth in the Agreement, and 3) terminate the Agreement if deemed in the best interest of the County, each in the County Manager's discretion.

PRIOR BOARD ACTIONS:

None

BACKGROUND:

The Tax Administration Department has utilized the contractual services of TransUnion Risk and Alternative Data Solutions, Inc. for skip tracing since 2017. The contractor has been effective and efficient in meeting our service needs, and we are requesting to continue this service for an additional one-year. The Department will work with Procurement to explore solicitation options near the end of the term.

FINANCIAL IMPACT:

The anticipated annual cost for this service is \$7,500.00 and is budgeted accordingly for FY25.

PRICING SUPPLEMENT

This Pricing Supplement and attached Pricing Sheet (collectively, the “Supplement”) is incorporated into and supplements the then-current Subscriber Agreement (“Agreement”) between TransUnion Risk and Alternative Data Solutions, Inc. (“TRADS”) and the then-current Subscriber (“Subscriber”). The Subscriber agrees as follows:

1. **Effective Date; Term.** The Effective Date of this Supplement is specified in the Pricing Sheet. This Supplement shall commence upon the Effective Date and continue for the period specified in the Pricing Sheet (“Supplement Term”). Upon expiration of the Supplement Term, the Agreement will continue in effect in accordance with the terms therein, absent this Supplement, subject to TRADS’s then-current fees and charges for the TRADS Services accessed thereafter. TRADS reserves the right to terminate this Supplement for convenience at any time, but in such instance Subscriber shall not be responsible for any ETF.
2. **Fees and Charges.** Subscriber agrees to be bound by this Supplement and agrees to pay all fees and charges set forth in the Pricing Sheet during the Supplement Term. Notwithstanding the foregoing or anything else in this Supplement or the Agreement to the contrary, however, all payments shall be conditioned upon appropriation by the Union County Board of Commissioners of sufficient funds for each request for services.
3. **Early Termination Fee.** Notwithstanding anything to the contrary in this Supplement, Subscriber may terminate this Supplement prior to the end of the Supplement Term by giving TRADS written notice. Upon receipt of such notice, TRADS is entitled to and Subscriber agrees to pay an early termination fee (“ETF”) as liquidated damages equal to the average total monthly fees due hereunder within a billing period multiplied by the number of months remaining in the Supplement Term. The ETF also applies if TRADS terminates the Agreement and/or this Supplement due to Subscriber’s breach, including but not limited to a breach of payment obligations. To the extent permitted by applicable law, TRADS is also entitled to the cost of collection for the ETF including attorneys’ fees. The parties agree that (a) at the time of the execution of this Supplement it is and would be difficult to determine the damages that would be caused if Subscriber breached its obligations, especially where multi-level or tiered pricing is tied to actual use; (b) the ETF is a reasonable estimate of the actual damages that TRADS would incur if the payment obligation was breached; and (c) the ETF is fair and reasonable and is not intended as a penalty.
4. **Miscellaneous.** This Supplement contains the final written agreement and understanding of the parties with respect to the TRADS Services identified herein and shall supersede and replace any and all prior pricing supplements, agreements or understandings with respect to such TRADS Services. Except as provided in this Supplement, all other terms of the Agreement shall remain in full force and effect in accordance with its terms. In the event of a conflict between the terms of the Agreement and this Supplement, the terms of this Supplement will apply. In the event any one or more provisions of this Supplement, or the Pricing Sheet, is held to be invalid or unenforceable, the enforceability of any remaining provision(s) shall be unimpaired. All capitalized terms used but not defined in this Supplement will have the same meanings given to them in the Agreement.
5. **E-Verify.** E-Verify is the federal program operated by the United States Department of Homeland Security and other federal agencies, or any successor or equivalent program, used to verify the work authorization of newly hired employees pursuant to federal law. TRADS shall ensure that TRADS and any subcontractor performing work under this Agreement: (i) uses E-Verify if required to do so by North Carolina law; and (ii) otherwise complies with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes. A breach of this provision by TRADS will be considered a breach of the Agreement, which entitles Subscriber to terminate this Agreement, without penalty, upon notice to TRADS.

Appointment of Deputy Finance Officer

INFORMATION CONTACT:

Beverly Liles, Finance Director, 704-283-3675

ACTION REQUESTED:

Appoint John Buchanan, Assistant Finance Director, to serve as a "Deputy Finance Officer" in order to pre-audit obligations

PRIOR BOARD ACTIONS:

None

BACKGROUND:

G.S. 159-8 directs that no county "may expend any moneys...except in accordance with a budget ordinance or project ordinance."

The pre-auditing of obligations, required by G.S. 159-28(a), is a principal legal mechanism for assuring compliance with the budget ordinance and each project ordinance. The pre-audit rule provides that no obligation may be incurred in an activity accounted for in a fund project ordinance unless two requirements are met. First, the obligation must be authorized; that is, one of the ordinances must contain an appropriation to cover it. Second, the authorization must not be exhausted; sufficient unspent and unencumbered funds must remain in the appropriation to meet the obligation when it comes due. Only if both requirements are met is the obligation validly incurred. Completion of this two-stage review is evidenced by placing the finance officer's certificate on the obligations. Having the deputy finance officer authorized to pre-audit obligations is important and such delegation will occur only with the approval of the County's finance officer and only when adequate internal controls are built into the payment procedures that are used

Financing Letter - Lanes Creek Volunteer Fire Department

INFORMATION CONTACT:

Patrick Niland, County Manager's Office, Deputy County Manager, 704-283-3630

ACTION REQUESTED:

Authorize Board Chair to sign the attached letter.

PRIOR BOARD ACTIONS:

January 6, 2025, Regular Meeting, Agenda Item # 25-005 - Appointed Fire Chief Robert Sweatt to hold a public hearing with respect to the proposed tax-exempt financing and provide a report of such hearing to the Union County Board of Commissioners.

BACKGROUND:

Lanes Creek Volunteer Fire Department, Inc. (the "Fire Department") desires to construct a new fire station. The Fire Department desires to issue certain tax-exempt bonds in order to finance the project. In order for the Fire Department to issue such tax-exempt bonds for the project, the Internal Revenue Code requires a public hearing and approval of the governing body of the political subdivision where the project is located. Such approval does not make Union County liable for repayment of the debt, it does not constitute a debt of Union County, and it does not implicate the taxing powers of the County.

Based on Board action during the January 6, 2025 Regular Meeting, the Fire Department held a public hearing. As part of the financing documents, the bank requires a letter from Union County, signed by the chair, stating that Lanes Creek is allowed to provide fire service in Union County, they are in good standing, the fire tax district supports fire operations, and that the department has made the county aware of this financing agreement.

FINANCIAL IMPACT:

None.

Re: Municipal Lease and Option Agreement between HomeTrust Bank and Lanes Creek Volunteer Fire Department, Inc.

I am Chairman of the County Commissioners of Union County. This letter is to advise you that: Lanes Creek Volunteer Fire Department, Inc. is a qualified Volunteer Fire Department, assigned to protect a specific Fire District within this County.

In addition, a special ad valorem (fire tax) is assessed on the real property owners of this district. Said tax is to be used exclusively to provide equipment, facilities, and training as is necessary to provide fire protection for said district. Said funds may also be used to upgrade equipment as the need arises. This tax is collected by the County and disbursed by the Finance Office to the Fire Department on a regular basis by the County Finance Officer. The Fire Department is operated and managed by the Board of Directors of the Fire Department and the Officers of said Department. The Department is currently meeting the requirements of their fire service contract.

Agenda Date: 2/3/2025

TITLE:

Consider a "STEP 4" Economic Development Incentive Grant for Confidential Company (Project Nickel) in an Amount Not to Exceed \$2,350,000 over a Five-Year period

INFORMATION CONTACT:

Ron Mahle, Economic Development, Director, 980-476-5279

ACTION REQUESTED:

1) Award a "STEP 4" Economic Development Incentive Grant in an amount not to exceed \$2,350,000 over a five-year period and 2) authorize the County Manager to negotiate and execute an agreement substantially consistent with this agenda item.

PRIOR BOARD ACTIONS:

February 3, 2025, Regular Meeting, Agenda Item # 25-049 - Conduct Public Hearing.

BACKGROUND:

The Union County Department of Economic Development started conversations with Confidential Company under codename Project Nickel in mid-2024 about the potential location of an advanced manufacturing operation within Union County valued at approximately \$100,000,000 in a new manufacturing building and the purchase and installation of new sophisticated processing equipment.

The name of the company will be released later contingent upon the award of State of North Carolina economic development incentives.

Based on the anticipated capital investment, it is proposed that the Board award a STEP 4 Economic Development Incentive Grant in an amount-not-to-exceed \$2,350,000 paid over a 5-year period beginning in FY 2028. The value of the incentive grant will be based upon appraised value each year as appraised by the Union County Tax Administration Office. This grant is based on the company's projected investment of approximately \$100,000,000 in new construction and installation of related processing equipment over the grant period, but not less than \$2,000,000. Based on its projected investment in Union County, the current tax rate, and assuming a consistent assessed value with no depreciation, the company will pay estimated ad valorem taxes on the new taxable investment in the amount of \$2,940,000 over the grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

The grant is also contingent upon the company retaining its current number of employees.

FINANCIAL IMPACT:

The project, if brought to Union County, would have an economic development incentive grant in an amount-not-to-exceed \$2,350,000 but would generate approximately \$2,940,000 over the 5-year grant period. Actual tax revenue to the County will be based on the assessed value of the investment each year by the Union County Tax Administration Office and will vary each year depending upon the depreciation schedule and the timing of the investments.

Union County Jail Study Update

INFORMATION CONTACT:

Christopher J. Boyd, Facilities & Fleet Management, Director, 704-283-3868

ACTION REQUESTED:

Receive information.

PRIOR BOARD ACTIONS:

- 1) December 4, 2023, Regular Meeting, Agenda Item # 23-819 - Approved Construction Manager at Risk Delivery Method
- 2) August 12, 2024, Regular Meeting, Agenda Item # 24-564 - Approved Design Contract for UC Jail Study

BACKGROUND:

At the request of the Board of County Commissioners, the County began an independent Jail Study to determine bed count and core size recommendations. The County selected Little Diversified Architecture, teamed with Justice Planners and Hemphill Randel Associates, to begin work on a study to determine bed count and core size options. In this presentation the design team, led by Justice Planners, will be sharing information about the study process, key data used in their analysis, some high-level bed count options and next steps.

While the Board is not requested to take action at tonight's meeting, staff will be presenting additional information at the February 12, 2025, Board retreat. At the retreat, staff will provide high level costing data for several options based on the data being shared in tonight's update and will request that the Board provide direction on bed count and core size.

2055 Metropolitan Transportation Plan Candidate Projects

INFORMATION CONTACT:

Bjorn E. Hansen, Planning Department, Senior Planner - Long Range Planning, 704-283-3690

ACTION REQUESTED:

Approve candidate project recommendations.

PRIOR BOARD ACTIONS:

April 15, 2024, Regular Meeting, Agenda Item # 24-064 - BOCC action to not support inclusion of any alignment in Comprehensive Transportation Plan (CTP).

BACKGROUND:

The Charlotte Regional Transportation Planning Organization (CRTPO) is soliciting new projects for the 2055 Metropolitan Transportation Plan (MTP). The MTP is a fiscally-constrained list of projects for the region through 2055. Staff have worked with Monroe, Indian Trail, Marshville, and Hemby Bridge to identify candidate projects to submit. In addition, the BOCC may choose to take a position opposing a submittal for the Waxhaw Parkway, consistent with the position taken in April 2024 for the CTP.

The candidate projects recommended for submittal are:

- Marshville Bypass
- NC 84 from Wesley Chapel Town Hall to Rogers Road
- Old Charlotte Highway from Wesley Chapel Stouts to Airport Road
- Intersections of Idlewild and Mill Grove and Unionville-Indian Trail

Projects must be submitted by February 14 and the draft list of recommended projects will be available in mid-2025.

FINANCIAL IMPACT:

None.

The Metropolitan Transportation Plan (MTP)

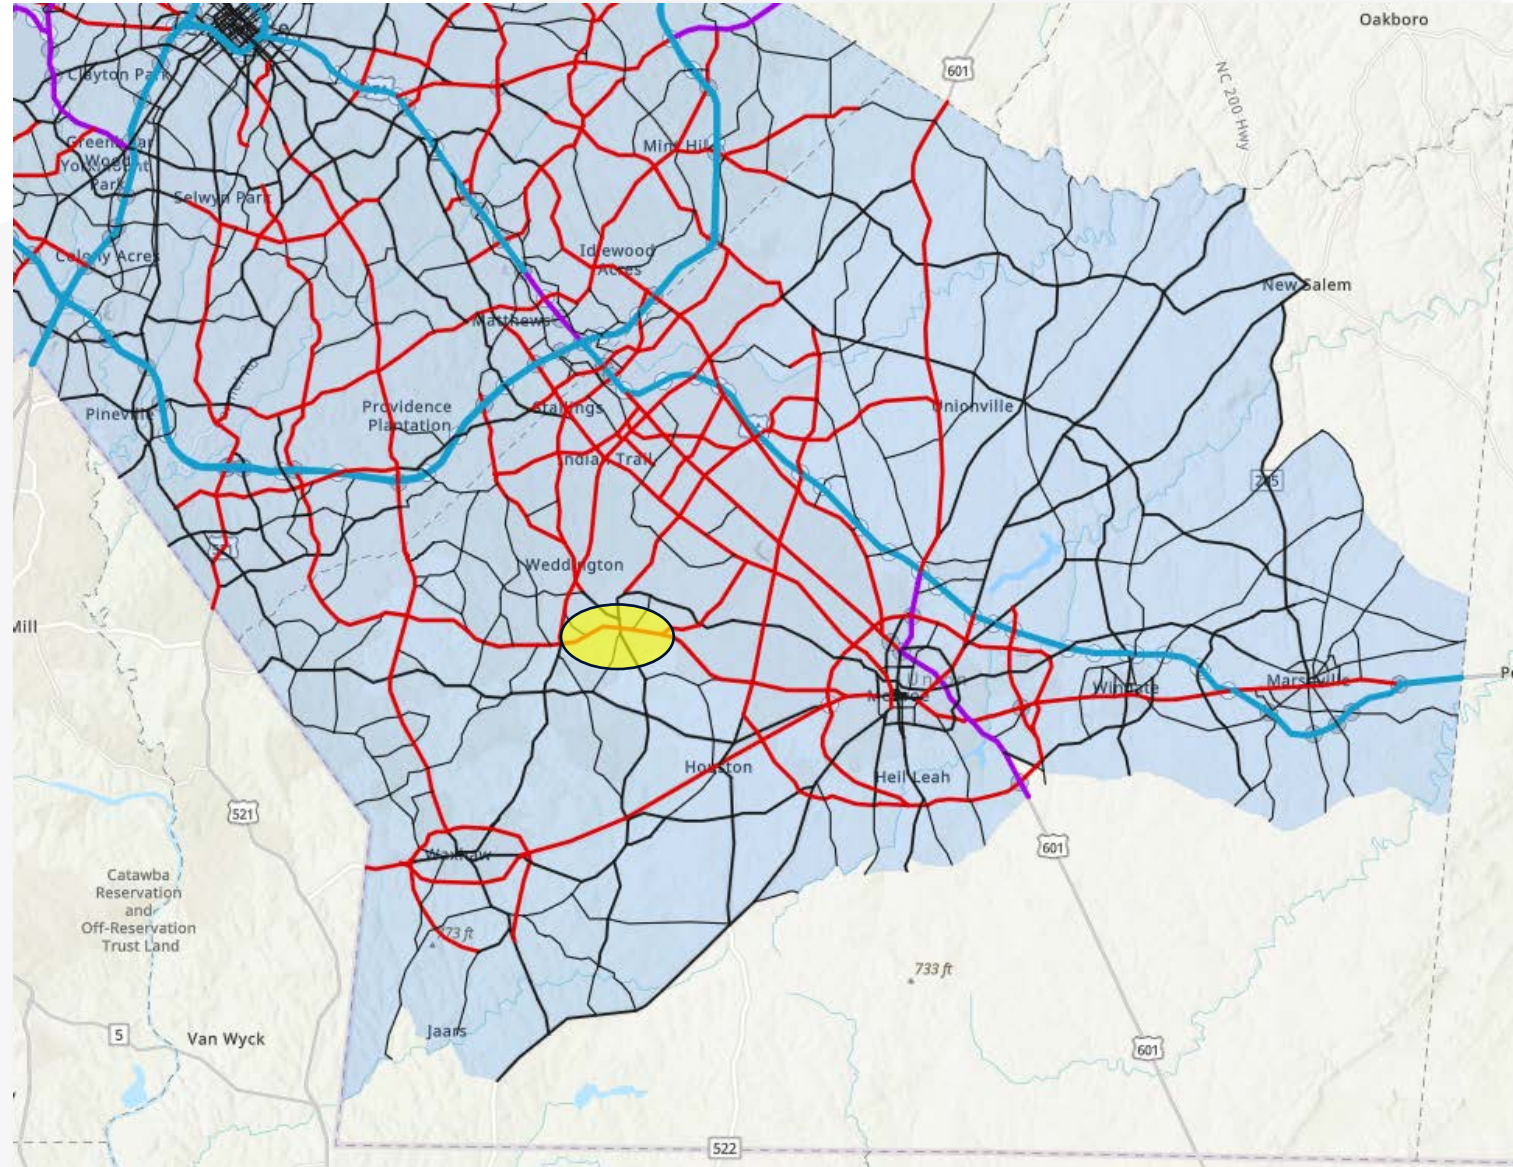

- Map shows 2050 MTP, adopted in 2022
- Required by federal law
- CRTPO develops one MTP for entire study area
- Plan recommendations are based on need and fiscal constraint
- Plan identifies specific projects
- Primarily a road project plan, although it sets priorities for other modes
- Updated every four years

MTP Candidate Projects

- Jurisdictions can submit projects now through February 14
- CRTPO will evaluate projects for congestion, safety, cost-benefit, impacts, and other considerations
- Fiscally-constrained list will be presented and adopted in summer 2025
- Being on the list is the second of three steps to implementation, next step is getting in the STIP
- Any project in the MTP is not likely to receive funding before 2035

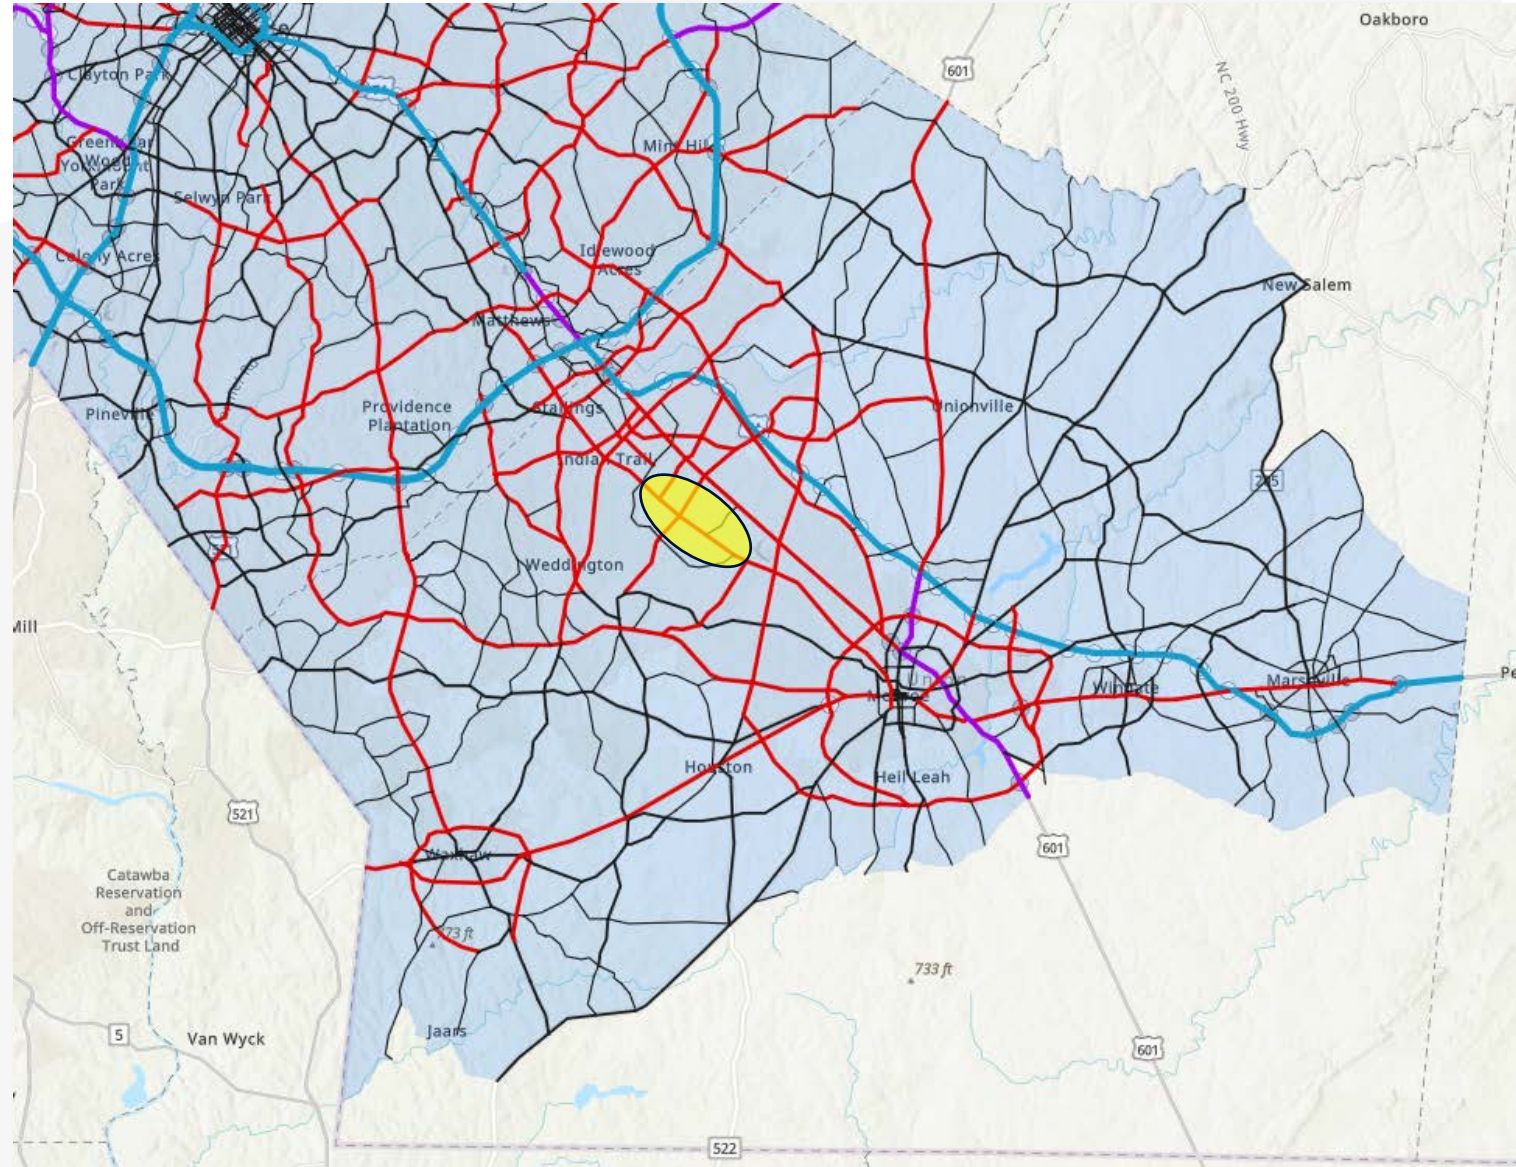

NC 84 from Wesley Chapel to Airport Road

- Impacted Municipality: Wesley Chapel
- Distance: 2.5 miles
- Consistent with Union County 2050 Comprehensive Plan
- NC route status increases competitiveness
- Cross-section: four lanes with median and bicycle/ pedestrian facilities
- Purpose and Need: NC 84 currently carries approximately 15,000 vehicles per day, with increasing traffic volumes projected due to continued development along the corridor. In addition, a lack of bicycle and pedestrian facilities or turn lanes reduces safety for users. The proposed widening will increase safety and reduce congestion along a key east-west corridor within Union County.

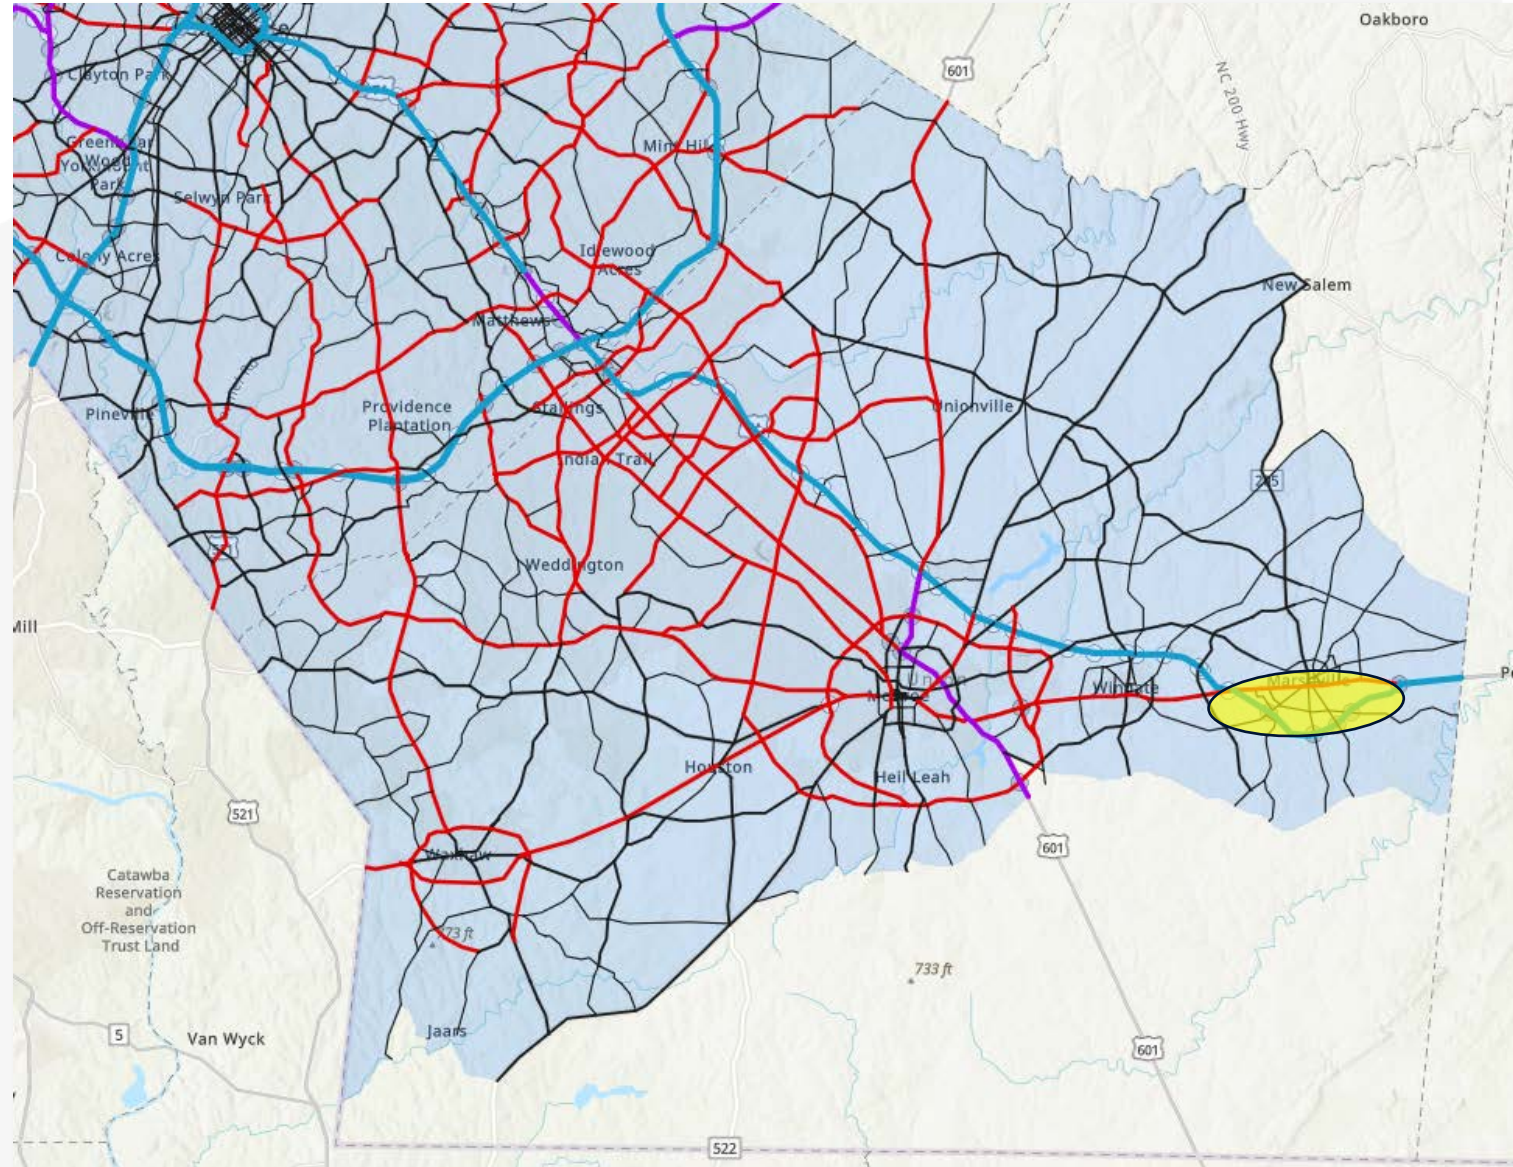

Old Charlotte Highway from Wesley Chapel Stouts to Rogers

- Impacted Municipalities: Indian Trail and Monroe
- Distance: 1.5 miles
- Consistent with Union County 2050 Comprehensive Plan
- Cross-section: four lanes with median and bicycle/ pedestrian facilities
- Purpose and Need: Old Charlotte Highway currently carries approximately 20,000 vehicles per day, with increasing traffic volumes projected due to continued development along the corridor. In addition, a lack of bicycle and pedestrian facilities or turn lanes reduces safety for users. The proposed widening will increase safety and reduce congestion along a central corridor within Union County.

Marshville Bypass

- Impacted Municipalities: Marshville
- Distance: 5 miles
- Consistent with Union County 2050 Comprehensive Plan
- Tolling study underway, but assumption is 25% of cost would be paid through tolls
- Cross-section: Four-lane controlled-access
- Purpose and Need: US 74 currently carries over 2,000 trucks per day, with increasing traffic volumes due to the Monroe Expressway. The proposed bypass will shift truck traffic out of central Marshville and create a more livable main street for the Town. Furthermore, this bypass helps implement a vision for a controlled-access facility between Charlotte and the Port of Wilmington, supporting economic activity.

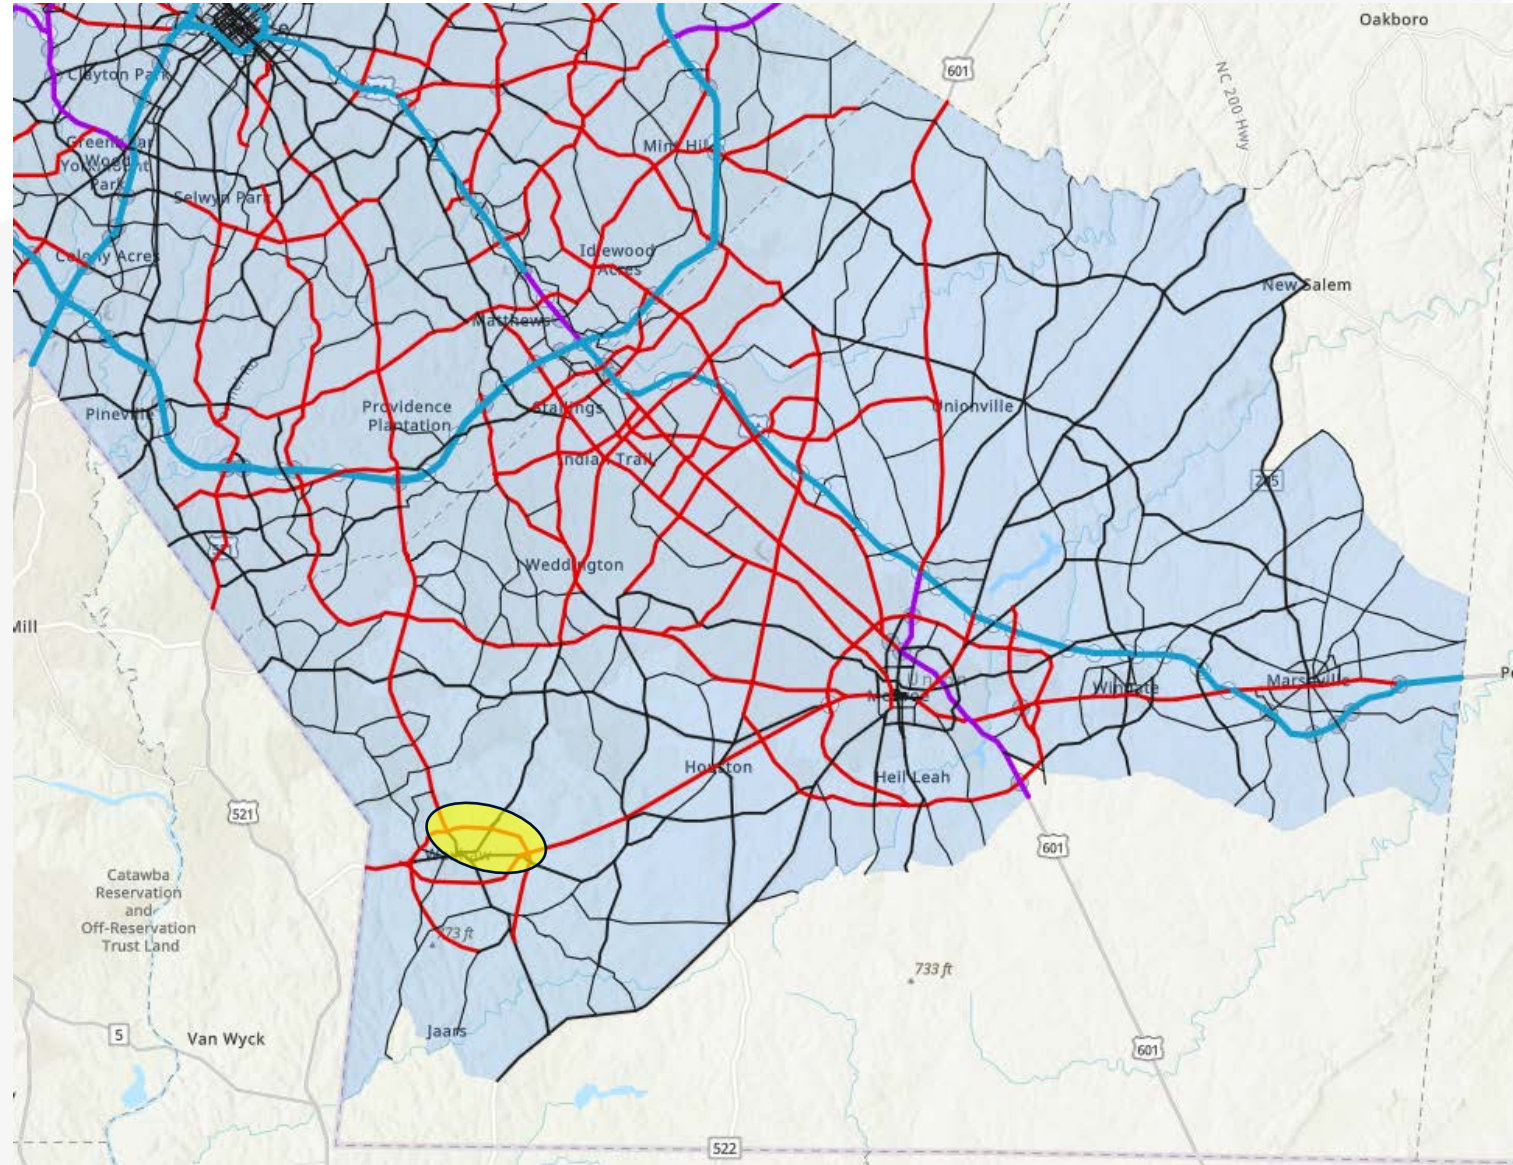

Idlewild, Mill Grove, and Indian Trail-Fairview Intersections

- Impacted Municipalities: Indian Trail and Hemby Bridge
- Distance: 1/8 mile
- Consistent with 2023 Critical Intersection Analysis
- High traffic and crash totals increases competitiveness
- Design: TBD
- Purpose and Need: Intersection improvements at the intersections of Idlewild and Mill Grove, and Idlewild and Indian Trail-Fairview are needed to improve flooding resiliency, mobility and safety of the existing intersections. ACTION REQUESTED:

- 1) Adopt the Union County land preservation & easement ordinance as attached;
- 2) Approve the allocation of funds from Soil & Water's Land Easements Project Budget for the purchase of Easement 90-2025-001 for the amount of \$721,575;
- 3) Accept Easement 90-2025-001 into the Union County Land Preservation & Easement Program;

- 5) Adopt Budget Amendment 22 appropriating the County's General Fund unassigned fund balance in the amount of \$885,991 to be used for the purchase of conservation easements and associated transaction costs.

PRIOR BOARD ACTIONS:

November 6, 2023, Regular Meeting, Agenda Item # 23-755 - 1) Approved staff to apply for a North Carolina Farmland Preservation Trust Fund grant application for a conservation easement development grant, 2) Approved the Union County Soil & Water Conservation District to purchase and hold conservation easements for land preservation in Union County, and 3) Adopted Budget Amendment # 14 appropriating the County's General Fund unassigned fund balance in the amount of \$969,006 to be used for the purchase of conservation easements and associated transaction costs.

BACKGROUND:

Union County is currently ranked 13th in the United States for open space land loss on a per year basis according to the latest research published by the American Farmland Trust. Over the last 4 fiscal years, Union County has lost 3,191 acres (FY2020), 2,892 acres (FY2021), 3,625 acres (FY2022), and 2,419 acres (FY2023) from parcels enrolled in present use value (PUV) alone. According to the 2022 NCDA Census of Agriculture, Union County has 186,626 acres of farmland. In the Business-as-Usual scenario published by NC FarmLink, Union County is slated to lose 51,500 acres of current farmland by 2040. This scenario would represent approximately a 28% reduction in total farmland acreage in Union County by 2040.

The creation of the Union County Land Preservation & Easement program will allow landowners to sell and/or donate the development rights to their property while still obtaining ownership of the land. By selling and/or donating the development rights, open space and agricultural land will be preserved through conservation easements held by the Union County Soil & Water Conservation District. The

District will be responsible for monitoring and inspections of easements to maintain compliance within the program. The use of present use value (PUV) rollback funds will provide financial resources to the Union County Soil & Water Conservation District for the easement purchases and all associated transaction costs. FY2024 funding is currently held in fund balance and is not allocated to any specific budget line. These funds are held in a Union County budget line and all non-encumbered funds will rollover at the end of each fiscal year.

FINANCIAL IMPACT:

1) \$721,575 for the purchase of Easement 90-2025-001 and 2) \$885,991 to be assigned to the Union County Land Preservation & Easement program budget line.

EXHIBIT A

ARTICLE III.

Sec. 4-57 - TITLE

An Article of the Board of County Commissioners of Union County, North Carolina, entitled Union County Farmland Preservation and Easement Program Ordinance.

Sec. 4-58 - AUTHORITY

The articles and sections of this program are adopted pursuant to authority conferred by G.S. § 106-735 through 106-744 and other applicable law.

Sec. 4-59 - PURPOSE

(a) The purpose of this article is to preserve the County's agricultural farmland in a manner that directs and accommodates growth and development. To this end, the County establishes the following goals:

- (1) To permanently protect and conserve those soils in the County best suited to agricultural uses;
- (2) To identify and harmonize policies of government at all levels which may conflict with the goal of protection of farmland;
- (3) To reduce land use conflicts between agricultural and other land uses; and
- (4) To promote agriculture as an integral part of the County's economy.

(b) Duties and responsibilities of the Union County Soil and Water Conservation District and the Agricultural Advisory Board.

- (1) The Union County Soil and Water Conservation District shall make recommendations to the Union County Board of County Commissioners on the selection of properties for purchase and/or donation of conservation easements. The term "conservation easement" as used in this article shall have the same meaning as the term "agricultural conservation easement" as set forth in G. S. § 106-744. The Soil and Water Conservation District and the Agricultural Advisory Board are responsible for developing and adopting a system to rank the acquisition of conservation easements. Subject to the availability of county, state, and federal grant funding, the Union County Soil and Water Conservation District, with assistance from a private nonprofit conservation organization, may acquire or support the acquisition of conservation easements consistent with this article.

Sec. 4-60 - DEFINITIONS

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Advisory board means Union County Agricultural Advisory Board.

Board of commissioners means Union County Board of Commissioners.

District means the Union County Soil and Water Conservation District.

Soil and Water Board means the Union County Soil and Water Board of Supervisors.

Sec. 4-61 - PURCHASE OF CONSERVATION EASEMENTS

(a) General. Subject to the availability of funds, the Union County Soil and Water Conservation District may facilitate the purchase of conservation easements in agricultural and/or forestry lands pursuant to this article. All applications for the purchase of conservation easements will be evaluated based upon a farmland preservation ranking system. Applications will be ranked based upon various site factors. Conservation easements may be purchased in accordance with the ranking of farm properties and the availability of funding.

(b) Farmland preservation ranking system. The farmland preservation ranking system will be used to rank, or prioritize, applications received from landowners seeking to sell their conservation easements. The system can be used for evaluating conversion impact. Site and soil assessment criteria shall be maintained by the Union County Soil and Water Conservation District and the Agricultural Advisory Board. The Union County Soil and Water Conservation District and the Agricultural Advisory Board are responsible for developing and adopting a system to rank and evaluate projects subject to approval by the Union County Board of County Commissioners.

(c) Description. The purchase of conservation easements is legally binding, restricting the owner and future owners to agricultural and/or forestry use of the land. The conservation easements will be held in public trust by a qualified conservation organization or the Union County Soil and Water Conservation District. Conservation easements will be in perpetuity and in compliance with the North Carolina Conservation and Historic Preservation Agreements Act and applicable federal and state laws.

(d) Minimum eligibility criteria. The agricultural and/or forestry land must meet the definition of qualifying farmland as defined in G.S. § 106-744 which includes being used for bona fide farm purposes, as that term is defined in G.S. §§ 106-743.4(a) and 160D-903, and be at least ten acres in size or contiguous to a ten-acre tract for which a perpetual conservation easement exists.

(e) Application procedure. An application must be submitted by the property owner to the Union County Soil and Water office or its designee.

(f) Review and ranking of application. The applications will be ranked by the Soil and Water director or their designee. After the application has been ranked, the Soil and Water Director or their designee will prioritize applications and make recommendations to the Union County Board of County Commissioners.

(g) Purchase of easement. The final step is the purchase of recommended easements, for which the Board of County Commissioners has sole authority.

Sec. 4-62 - DONATION OF CONSERVATION EASEMENTS

(a) General. The County will accept donated easements upon recommendation of the Union County Soil and Water Conservation District.

(b) Description. The donation of conservation easements is legally binding, restricting the owner and future owners to agricultural and/or forestry use of the land. The conservation easements will be held in public trust by a qualified conservation organization or the District. Conservation easements will

be in perpetuity and in compliance with the North Carolina Conservation and Historic Preservation Agreements Act and applicable federal and state law.

(c) Minimum eligibility criteria. The agricultural and/or forestry land must be at least ten acres in size or contiguous to a ten-acre tract for which a perpetual conservation easement exists and be in agricultural and/or forestry use.

Sec. 4-63 - BASELINE DOCUMENTATION AND MONITORING

(a) Baseline documentation purpose. This policy establishes the procedure for the collection, compilation, and storage of baseline documentation for conservation easements managed by Union County Soil and Water Conservation District on behalf of Union County. This information establishes the condition of a property at the time of acquisition, allowing comparisons with findings during subsequent monitoring events. The Soil and Water Conservation District, will collect this information for the conservation easement donor. The baseline documentation may be relied upon during litigation to establish the condition of a property prior to a conservation easement violation. The Soil and Water Conservation District will collect and store all baseline documentation for conservation easements in a manner that maximizes effectiveness for enforcement purposes.

(1) Baseline data collection. The volume and specificity of the information included in the baseline documentation report may vary depending on the terms of the easement and the conservation objectives for the property. Baseline data will be collected by the Soil and Water Conservation District Director. Baseline data collected during a site visit will generally include:

- a. Boundary photos, photos of special features, and photos of structures and other improvements and or human modifications
- b. Global Positioning System (GPS) data and locations on a map of each photo, special feature, structure, and other improvements;
- c. Other natural resource information documenting the conservation values of the site such as soil maps, land cover data, natural community descriptions, ecological data, and other relevant agricultural or forestry information.

(2) A copy of the baseline documentation report shall be kept on file with the easement grantee and must be reviewed by the landowner prior to closing.

(b) Monitoring purpose. To protect conservation values, Soil and Water Conservation District or their designee will conduct regular monitoring and maintain detailed records of inspections, problems on the property and actions taken to address such problems.

(1) Monitoring personnel. Overall supervision of monitoring is the responsibility of the District and will be coordinated with the Soil and Water director or their designee.

(2) Monitoring procedure. Comprehensive monitoring shall be performed at least annually, with additional monitoring visits and reports to be generated as needed.

Sec. 4-64 - LEGAL PROVISIONS

The sole remedy for a land use not complying with this Article shall be revocation of the conservation agreement and removal of the non-qualifying land from the Union County's Farmland Preservation program. Recreational use of land that does not interfere with agricultural uses as defined in G.S. §106-581.1 shall not be considered non-compliant with this Article.
