**Utilities:** Public water and sewer are available to the site.

**Zoning and Land Use History:** The site has been zoned as PUD6 since 2004, when it was rezoned as part of the overall site that now includes the Kohls, vacant land on the northeast corner of Tom Short and Rea Roads, and portions of Hunter Oaks. There were three unsuccessful and one successful rezoning from R-40 to R-20, which resulted in 246 acres of residential development in the immediate vicinity of the site. There also was an approved townhouse development on the county line north of this site approved in 2018. There have been two commercial rezonings proposed since 2018, including the approved shopping center north of the Lighthouse Child Care Facility and denied telecommunications tower behind Lighthouse. There have been five special use permits at this intersection, all relating to the implementing the PUD zoning of the overall development. All five were approved, and all have been implemented, with the exception of the large vacant parcel on the northeast corner of Rea and Tom Short.

**Schools:** Because this rezoning request is commercial in nature, UCPS was not consulted for comments.

**Transportation:** This site is off of Rea Road, which is a NCDOT-maintained facility. It has a 2022 daily traffic count of 22,000 vehicles per day. There are no funded road improvements in the vicinity of the project. This site is expected to generate approximately 400 trips per day, which did not meet Union County or NCDOT thresholds for a traffic impact analysis. No improvements to Rea Road are recommended as part of this rezoning or site plan. The site would use the existing driveway off of Rea Road.

**Public and Municipal Comments**

**Public Comments:** A community meeting was held October 8, 2024. Three residents attended the meeting and asked about the process for rezoning and parking requirements. No changes were made based on feedback. No additional comments have been received by staff.

**Municipal Comments:** Marvin is less than a quarter mile west of the site and were contacted for comments.

**Land Use Board Recommendation**

The Land Use Board is scheduled to review this proposal at its November 19, 2024, meeting.

### Staff Comments and Recommendation

This part of Union County is identified as a commercial node, as well as single-family residential land uses. This proposal for medical office uses is consistent with the PUD zoning for the site and the commercial node designation for the area. The proposal can meet Union County development standards and will have a low impact on adjacent roads. **Because of these aspects of the development, staff recommend approval of this rezoning application.**
