of	Primary Government Unit
and	Discretely Presented Component Unit (DPCU) (if applicable)

Primary Government Unit, together with DPCU (if applicable), hereinafter referred to as Governmental Unit(s)

and	Auditor Name
	Auditor Address

Hereinafter referred to as Auditor

for	Fiscal Year Ending	Date Audit Will Be Submitted to LGC
-----	--------------------	-------------------------------------

Must be within six months of FYE

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by “U.S. Auditing Standards – AICPA (Clarified),” referred to as generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business-type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types). Budgetary comparison information shall be prepared in accordance with applicable GASB standards. Budget-to-actual comparisons at the level of the legally adopted budget ordinance shall be presented as required supplementary information and shall not be included in the basic financial statements. Any other budgetary comparison information shall be presented only as supplementary information for funds required to be budgeted under NCGS Chapter 159, Article 3.

2. At a minimum, the Auditor shall conduct the audit and render the report in accordance with GAAS. If the Governmental Unit expended \$100,000 or more in combined Federal and State financial assistance during the reporting period, the Auditor shall perform the audit in accordance with *Generally Accepted Government Auditing Standards* (GAGAS). The Governmental Unit is subject to federal single audit requirements in accordance with Title 2 US Code of Federal Regulations Part 200 *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards*, Subpart F (*Uniform Guidance*) and the State Single Audit Implementation Act. Currently the threshold is \$1,000,000 for federal and state single audits, or such other threshold as applicable for the fiscal year under audit. This audit and all associated audit documentation may be subject to review by federal and State agencies in accordance with federal and State laws, including the staff of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit in accordance with the Uniform Guidance (§200.501) the Auditor and Governmental Unit(s) should discuss, in advance of the execution of this contract, the responsibility for submission of the audit and the accompanying data collection form (form SF-FAC) to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512) to ensure proper submission.

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.
4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC Staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.
5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards* (2018 revision or subsequent revisions, as applicable) issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he or she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and to the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon the Auditor's receipt of an updated peer review report. If the audit firm receives a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Auditing Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed, and the report of audit submitted to LGC Staff, within six months of fiscal year end. At the time of the execution of this contract, if the parties know that the anticipated submission date of the audit exceeds six months after fiscal year end, a written explanation shall be provided to the Secretary of the LGC on this contract form (see the space provided on Page 7). If it becomes necessary to amend the audit fee or the date that the audit report will be submitted to the LGC, an amended contract along with a written explanation of the change shall be submitted to the Secretary of the LGC for approval.
7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as they relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth the Auditor's findings, together with his or her recommendations for improvement. That written report shall include all matters determined to be "significant deficiencies and material weaknesses" in accordance with AU-C §265 "Communicating Internal Control Related Matters Identified in an Audit" of GAAS. The Auditor shall file a copy of that report with the Secretary of the LGC.

For GAAS or *Government Auditing Standards* audits, if an Auditor issues an AU-C §260 report, "Auditor's Communication With Those Charged With Governance," commonly referred to as a "Governance Letter," LGC staff does not require the report to be submitted unless the Auditor cites significant findings or issues from the audit, as defined in AU-C §260 paragraphs 12 - 14. This would include issues such as difficulties encountered during the audit, significant or unusual transactions, uncorrected misstatements, matters that are difficult or contentious for which the Auditor consulted outside the engagement team and, in the Auditor's judgment, are significant and relevant to those charged with governance, and other findings or issues that the Auditor believes are significant and relevant. If matters identified during the audit were required to be reported as described in AU-C §260 paragraphs 12 - 14 and were communicated in a method other than an AU-C §260 letter, the written documentation must be submitted.

8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Approval is also required for the Alternative Compliance Examination Engagement for auditing the Coronavirus State and Local Fiscal Recovery Funds expenditures as allowed by US Treasury. Approval is not required on audit contracts and invoices for system improvements and similar services of a non-auditing nature.
9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. This also includes any progress billings [G.S. 159-34 and 115C-447]. All invoices for audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved' with approval date shall be returned to the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.
10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal Single Audit Act and the State Single Audit Act. This does not include fees for any pre-issuance reviews that may be required by the North Carolina Association of Certified Public Accountants (NCACPA) Peer Review Committee or North Carolina State Board of CPA Examiners (see Paragraph 13).
11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC Staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC Staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.
12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.
13. If the audit firm is required by the Secretary of the Local Government Commission to obtain a pre-issuance review or take corrective action as a result of peer review findings or quality control deficiencies, such corrective action shall be consistent with the authority and requirements of the North Carolina State Board of Certified Public Accountant Examiners, the AICPA Peer Review Program, and established Local Government Commission practice, including the use of report addenda or other remedial measures, as appropriate.

14. In accordance with G.S. 159-34, the Finance Officer of the Unit is responsible for filing the audited financial statements with the Secretary of the Local Government Commission.

The Auditor may upload the audit report and related documents through the LGC's electronic submission system; however, submission shall not be deemed complete until the Finance Officer has reviewed and certified the submission.

The Auditor, Finance Officer, other Unit staff member designated by the Finance Officer, or a third party approved by the Unit may enter all Data Input Report information except the information on the "transmittal doc info" tab. The "transmittal doc info" tab must be completed by the Auditor.

The Finance Officer shall review, approve, and certify the accuracy and completeness of the Data Input Report (DIR) in the LGC's LOGOS system prior to LGC review, regardless of whether the DIR is prepared by the Auditor or the Unit.

Finance Officer certification is required for any corrected or revised submissions.

Finance Officer certification of the DIR shall be completed in a timely manner following notification that the DIR is ready for review and within time frames prescribed by the LGC. Failure to complete certification in a timely manner may result in the audit being considered late due to unit action rather than auditor performance.

The Auditor shall conduct the audit in accordance with generally accepted auditing standards and shall ensure that the financial statements are prepared in accordance with generally accepted accounting principles as of the fiscal year end. Budget-to-actual comparisons at the level of the legally adopted budget ordinance shall be presented in required supplementary information, separate from the basic financial statements, and shall not be included in the audit opinion. The Auditor shall confirm that such information reconciles to the financial statements and is consistent with applicable accounting guidance and any LGC reporting requirements.

The Finance Officer shall certify in a timely manner that all data inputted in LOGOS used for preparation of the financial statements and required supplementary information is complete and accurate.

For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC. These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements and/or the compliance section, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC Staff.

15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.
16. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing and preaudited if the change includes a change in audit fee (preaudit requirement does not apply to hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC.
17. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Paragraph 30 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.
18. Special provisions should be limited. Please list any special provisions in an attachment.
19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in The Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the primary government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and Finance Officer also shall be included on this contract.
20. The contract shall be executed, preaudited (preaudit requirement does not apply to hospitals) and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.
21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.
22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

23. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

26. E-Verify. The Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if the Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

27. For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and *Government Auditing Standards, 2018 or 2024 Revision* (as applicable). Preparing financial statements in their entirety shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. If the Auditor cannot reduce the threats to an acceptable level, the Auditor cannot complete the audit. If the Auditor is able to reduce the threats to an acceptable level, the documentation of this determination, including the safeguards applied, must be included in the audit workpapers.

All non-attest service(s) being performed by the Auditor that are necessary to perform the audit must be identified and included in this contract. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. If the Auditor is able to identify an individual with the appropriate SKE, the Auditor must document and include in the audit workpapers how the Auditor reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

28. **Applicable to audits with fiscal year ends of June 30, 2021 and later.** The Auditor shall present the audited financial statements including any compliance reports to the Government Unit's Governing Board or audit committee in an official meeting in open session as soon as the audited financial statements are available but not later than 45 days after the submission of the audit report to the Secretary of the LGC. The Auditor's presentation to the Governing Board or audit committee shall include:

- a) the description of each finding, including all material weaknesses and significant deficiencies, as found by the Auditor, and any other issues related to the internal controls or fiscal health of the Government Unit as disclosed in the management letter, the Single Audit or Yellow Book reports, or any other communications from the Auditor regarding internal controls as required by current auditing standards;
- b) the status of the prior year audit findings;
- c) the values of Financial Performance Indicators based on information presented in the audited financial statements; and
- d) notification to the Governing Board that the Governing Board shall develop a "Response to the Auditor's Findings, Recommendations, and Fiscal Matters," if required under Rule 20 NCAC 03 .0508.

29. Information based on the audited financial statements shall be submitted to the Secretary of the LGC through the LGC's LOGOS system, including completion of the Data Input Report (DIR). Submission is not complete and shall not be accepted by the LGC until the Finance Officer has reviewed and certified the DIR in accordance with Paragraph 14 of this contract.

30. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Paragraph 17 for clarification).

31. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and Units should use the submission process and instructions in effect at the time of submission. Refer to the N.C. Department of State Treasurer website at <https://www.nctreasurer.com/state-and-local-government-finance-division/local-government-commission/submitting-your-audit>.

32. All communications regarding audit contract requests for modification or official approvals will be sent to the email addresses provided on the signature pages that follow.

33. **Applicable to audits with fiscal year ends of June 30, 2025, and later.** The Unit authorizes the LGC to grant access to the LGC's LOGOS system, including the Data Input Report (DIR), to employees of the contracted audit firm who are associated with and acting on behalf of the firm for purposes of performing audit and reporting services under this contract. Such access shall be limited to the scope necessary to perform contracted services and shall not relieve the Auditor or the Unit of their respective responsibilities under this contract.

34. Changes or edits to the text of this contract form are not permitted, except for the Secretary's authority to revise or update this contract form pursuant to LGC Rule 20 NCAC 03. 0502.

For contracts with an anticipated audit submission date exceeding six months after fiscal year end, please use this space to explain the reason for the late submission, as required by Paragraph 6 of this contract form:

The Board of County Commissioners
Union County
500 N. Main St.
Monroe, North Carolina 28112

Dear Members of the Board:

This engagement letter between Union County (hereafter referred to as the "County" or "you" or "your" or "management") and Cherry Bekaert LLP (the "Firm" or "Cherry Bekaert" or "we" or "us" or "our") sets forth the nature and scope of the services we will provide, the County's required involvement and assistance in support of our services, the related fee arrangements, and other Terms and Conditions, which are attached hereto and incorporated by reference, designed to facilitate the performance of our professional services and to achieve the mutually agreed-upon objectives of the County.

Summary of services

We will provide the following services to the County as of and for the year ended June 30, 2026:

Audit and attestation services

1. We will audit the basic financial statements of the County as of and for the year ended June 30, 2026 (the "financial statements") including the governmental activities, the business type activities, each major fund and the aggregate remaining fund information, including the disclosures.
2. We will audit the schedule of expenditures of federal and state awards. As part of our engagement we will apply certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.
3. We will read the introductory section and statistical section accompanying the basic financial statements and consider whether a material inconsistency exists between the other information and the basic financial statements. In addition, we will remain alert for indications that a material inconsistency exists between the other information and knowledge obtained in the audit, or if such information contains a material misstatement of fact or is otherwise misleading. If based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.
4. We will audit the combining and individual statements and schedules. As part of our engagement, we will apply certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.
5. We will apply limited procedures to the management's discussion and analysis ("MD&A") and Other Postemployment Benefits, the Local Governmental Employees' Retirement System and the Law Enforcement Officers' Special Separation Allowance information, which will consist of inquiries of County's management about the methods of preparing the information and comparing

the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

Nonattest accounting and other services

We will provide the following additional services:

1. Complete the appropriate sections of and sign the Data Collection Form.
2. Assistance with preparation of the Data Input Report in the North Carolina Local Government System ("LOGOS") Audit Module.

Your expectations

As part of our planning process, we have discussed with you your expectations of Cherry Bekaert, changes that occurred during the year, your views on risks facing you, any relationship issues with Cherry Bekaert, and specific engagement arrangements and timing. Our services plan, which includes our audit plan, is designed to provide a foundation for an effective, efficient, and quality-focused approach to accomplish the engagement objectives and meet or exceed the County's expectations. Our services plan will be reviewed with you periodically and will serve as a benchmark against which you will be able to measure our performance. Any additional services that you may request, and that we agree to provide, will be the subject of separate written arrangements.

The County recognizes that our professional standards require that we be independent from the County in our audit of the County's basic financial statements and our accompanying reports in order to ensure that our objectivity and professional skepticism have not been compromised. As a result, we cannot enter into a fiduciary relationship with the County and the County should not expect that we will act only with due regard to the County's interest in the performance of this audit, and the County should not impose on us special confidence that we will conduct this audit with only the County's interest in mind. Because of our obligation to be independent of the County, no fiduciary relationship will be created by this engagement or audit of the County's basic financial statements.

The engagement will be led by Daniel Gougherty, who will be responsible for assuring the overall quality, value, and timeliness of the services provided to you.

Audit and attestation services

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the provisions of Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"); the Single Audit Act Amendments of 1996; and the State Single Audit Implementation Act. The objective of our audit is to obtain reasonable assurance about whether the County's basic financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion(s) about whether the County's basic financial statements are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the Summary of Services section when considered in relation to the basic financial statements taken as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the basic financial

statements in conformity with the basis of accounting noted above. The objective also includes reporting on:

- Internal control over financial reporting and compliance with the provisions of applicable laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the basic financial statements in accordance with *Government Auditing Standards*
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and the Uniform Guidance and the State Single Audit Implementation Act.

Auditor's responsibilities for the audit of the basic financial statements

We will conduct our audit in accordance with GAAS and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and will include tests of accounting records, a determination of major programs in accordance with Uniform Guidance and the State Single Audit Implementation Act, and other procedures as deemed necessary to enable us to express such opinions about whether the basic financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). We will also:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Obtain an understanding of the County and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the basic financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion(s). The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the basic financial statements, including the disclosures, and whether the basic financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the basic financial statements that we have identified during the audit.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

Nonattest accounting and other services

In connection with any of the audit, accounting, or other services noted below, we will provide a copy of all schedules or other support for you to maintain as part of your books and records supporting your basic financial statements. You agree to take responsibility for all documents provided by Cherry Bekaert and

will retain copies based on your needs and document retention policies. By providing these documents to you, you confirm that Cherry Bekaert is not responsible for hosting your records or maintaining custody of your records or data and that Cherry Bekaert is not providing business continuity or disaster recovery services. You confirm you are responsible for maintaining internal controls over your books and records including business continuity and disaster recovery alternatives. In addition, any documents provided to Cherry Bekaert by the County in connection with these services will be considered to be copies and will not be retained by Cherry Bekaert after completion of the accounting and other services. You are expected to retain anything you upload to a Cherry Bekaert portal and are responsible for downloading and retaining anything we upload in a timely manner. Portals are only meant as a method of transferring data, are not intended for the storage of client information, and may be deleted at any time. You are expected to maintain control over your accounting systems to include the licensing of applications and the hosting of said applications and data. We do not provide electronic security or back-up services for any of your data or records. Giving us access to your accounting system does not make us hosts of information contained within.

The accounting and other services described in this section are nonaudit services, which do not constitute audit services under *Government Auditing Standards*, and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming County's management responsibilities.

In conjunction with providing these accounting and other services, we may use third party software or templates created by Cherry Bekaert for use on third party software. Management expressly agrees that the County has obtained no rights to use such software or templates and that Cherry Bekaert's use of the County's data in those applications is not deemed to be hosting, maintaining custody, providing business continuity, or disaster recovery services.

Data collection form and Data Input Report

We will complete the appropriate sections of and sign the Data Collection Form and Data Input Report that summarizes our audit findings. We will provide copies of our reports to the County; however, it is the County's management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form and Data Input Report to the designated federal audit clearinghouse and LOGOS and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period.

County's management responsibilities related to accounting and other services

For all nonattest services we perform in connection with the engagement, you are responsible for designating a competent employee to oversee the services, make any management decisions, perform any management functions related to the services, evaluate the adequacy of the services, retain relevant copies supporting your books and records, and accept overall responsibility for the results of the services.

Prior to the release of the report, the County's management will need to sign a representation letter acknowledging its responsibility for the results of these services, and acknowledging receipt of all appropriate copies.

County's management responsibilities related to the audit

The County's management is responsible for (1) designing, implementing, and maintaining internal controls, including internal controls over federal and state awards, and for evaluating and monitoring ongoing activities, relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to fraud or error, and to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that the County's management and financial information is reliable and properly reported. The County's management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the basic financial statements, schedule of expenditures of federal and state awards and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal and state statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationship in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

The County's management is responsible for making all financial records and related information available to us, including additional information that is requested for purposes of the audit (including information from outside of the general and subsidiary ledgers), and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the basic financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance and the State Single Audit Implementation Act, (3) additional information that we may request for the purpose of the audit and (4) unrestricted access to persons within the County from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the basic financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the basic financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the County involving (1) the County's management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the basic financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the County received in communications from employees, former employees, grantors, regulators, or other. In addition, you are responsible for identifying and ensuring that the County complies with applicable laws, regulations contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, or grant agreements that we report. Additionally, as required by the Uniform Guidance and the State Single Audit Implementation Act, it is the County's management's responsibility to evaluate and monitor noncompliance with federal and state statutes, regulations, and the terms and conditions of federal and state awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan.

The County's management is responsible for identifying all federal and state awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal and state awards (including notes and noncash assistance received, and COVID-19 related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance and the State Single Audit Implementation Act. You agree to include our report on the schedule of expenditures of federal and state awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal and state awards. You also agree to include the audited basic financial statements with any presentation of the schedule of expenditures of federal and state awards that includes our report thereon or make the audited basic financial statements readily available to intended users of the schedule of expenditures of federal and state awards no later than the date the schedule of expenditures of federal and state awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal and state awards in accordance with the Uniform Guidance and the State Single Audit Implementation Act, (2) you believe the schedule of expenditures of federal and state awards, including its form and content, is stated fairly in accordance with the Uniform Guidance and the State Single Audit Implementation Act, (3) the methods of measurement or presentation have not changed from those used in the prior period or, if they have changed, the reasons for such changes), and (4) the County has disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal and state awards.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the scheduled of expenditures of federal and state awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP, (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP, (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes), and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

The County's management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. The County's management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the *Audit and attestation services* section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing County's management views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

Reporting

Our report will be addressed to Board of County Commissioners of the County. Circumstances may arise in which our report may differ from its expected form and content based on the result of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If,

for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also issue written reports upon completion of our Single Audit. The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance and the State Single Audit Implementation Act report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the State Single Audit Implementation Act. Both reports will state that the report is not suitable for any other purpose.

Management Representations

The Firm will rely on the County's management providing the above noted representations to us, both in the planning and performance of the audit, and in considering any increase in the fees as provided in the Contract.

The estimated fees contemplate only the services described in the Summary of Services section of this letter. You may request that we perform additional services not addressed in this engagement letter. TITLE: _____ DATE: _____

Cherry Bekaert LLP Engagement Letter Terms and Conditions

The following terms and conditions are an integral part of the attached engagement letter and should be read in their entirety in conjunction with your review of the letter.

Limitations of the audit report

Should the County wish to include or incorporate by reference the financial statements and our report thereon into *any* other document at some future date, we will consider granting permission to include our report into another such document at the time of the request. However, we may be required by generally accepted auditing standards ("GAAS") to perform certain procedures before we can give our permission to include our report in another document such as an annual report, private placement, regulator filing, official statement, offering of debt securities, etc. You agree that the County will not include or incorporate by reference the financial statements and our report thereon, or our report into any other document without our prior written permission. In addition, to avoid unnecessary delay or misunderstandings, it is important to provide us with timely notice of your intention to issue any such document.

Limitations of the audit process

In conducting the audit, we will perform tests of the accounting records and such other procedures as we consider necessary in the circumstances to provide a reasonable basis for our opinion on the financial statements. We also will assess the accounting principles used and significant estimates made by the County's management, as well as evaluate the overall basic financial statement presentation.

Our audit will include procedures designed to obtain reasonable assurance of detecting misstatements due to errors or fraud that are material to the financial statements. Absolute assurance is not attainable because of the nature of audit evidence and the characteristics of fraud. For example, audits performed in accordance with GAAS are based on the concept of selective testing of the data being examined and are, therefore, subject to the limitation that material misstatements due to errors or fraud, if they exist, may not be detected. Also, an audit is not designed to detect matters that are immaterial to the financial statements. In addition, an audit conducted in accordance with GAAS does not include procedures specifically designed to detect illegal acts having an indirect effect (e.g., violations of fraud and abuse statutes that result in fines or penalties being imposed on the County) on the financial statements.

Similarly, in performing our audit we will be aware of the possibility that illegal acts may have occurred. However, it should be recognized that our audit provides no assurance that illegal acts generally will be detected, and only reasonable assurance that illegal acts having a direct and material effect on the determination of financial statement amounts will be detected. We will inform you with respect to errors and fraud, or illegal acts that come to our attention during the course of our audit unless clearly inconsequential. In the event that we have to consult with the County's counsel or counsel of our choosing regarding any illegal acts we identify, additional fees incurred may be billed to the County. You agree that the County will cooperate fully with any procedures we deem necessary to perform with respect to these matters.

We will issue a written report upon completion of our audit of the County's financial statements. If, for any reason, we are unable to complete the audit, or are unable to form, or have not formed an opinion on the financial statements, we may decline to express an opinion or decline to issue a report as a result of the engagement. We will notify the appropriate party within your organization of our decision and discuss the reasons supporting our position.

Audit procedures – general

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve professional judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by the County's management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the County or to acts by the County's management or employees acting on behalf of the County. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits, nor do they expect auditors to provide reasonable assurance of detecting waste and abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of the County's management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditor is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, funding sources, creditors and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the basic financial statements; schedule of expenditures of federal and state awards; federal and state award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit procedures – internal controls

Our audit will include obtaining an understanding of the County and its environment, including internal controls relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion(s). The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the basic financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the basic financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control, including cybersecurity, and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance and the State Single Audit Act, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance and the State Single Audit Act.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to the County's management and those charged with governance internal control related matters that are required to be communicated under American Institute of Certified Public Accountants ("AICPA") professional standards, *Government Auditing Standards*, and the Uniform Guidance and the State Single Audit Implementation Act.

Audit procedures - compliance

As part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of the County's compliance with provisions of applicable laws and regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance and the State Single Audit Implementation Act requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations, and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the County's major programs. For federal and state programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and the State Single Audit Implementation Act.

Nonattest services (if applicable)

The Code of Professional Conduct (the "Code") as promulgated by the American Institute of Certified Public Accountants ("AICPA") requires us to establish, in writing, your responsibilities with regards to any nonattest services for which you have engaged us or may engage us in the future.

One of your key responsibilities with respect to nonattest services provided by us is to designate an individual or individuals within the organization to oversee such services. It is our understanding that you have an individual or individuals within your organization that possess the requisite skills, knowledge and experience to oversee nonattest services including, but not limited to, financial statement preparation, assistance with the adoption of a new accounting standard, and tax return preparation. You also agree to assume any and all management responsibilities for our nonattest services, evaluate the adequacy and results of such services and to accept responsibility for them.

In order to ensure we provide such services in compliance with all professional standards, the designated individual is responsible for:

- Making all relevant records and related information available to us
- Ensuring that all material information is disclosed to us

- Granting unrestricted access to persons within the entity from whom we determine it necessary to obtain necessary support
- Identifying and ensuring that such nonattest services comply with applicable laws and regulations

The accuracy and appropriateness of such nonattest services shall be limited by the accuracy and sufficiency of the information provided by the County's designated individual. In the course of providing such nonattest services, we may provide professional advice and guidance based on knowledge of accounting, tax and other compliance, and of the facts and circumstances as provided by the County's designated individual. Such advice and guidance shall be limited as permitted under the AICPA Code of Professional Conduct.

Communications

At the conclusion of the audit engagement, we may provide the County's management and those charged with governance a letter stating any significant deficiencies or material weaknesses which may have been identified by us during the audit and our recommendations designed to help the County make improvements in its internal control structure and operations related to the identified matters discovered in the financial statement audit. As part of this engagement, we will ensure that certain additional matters are communicated to the appropriate members of the County. Such matters include (1) our responsibilities under GAAS, (2) the initial selection of and changes in significant accounting policies and their application, (3) our independence with respect to the County, (4) the process used by County's management in formulating particularly sensitive accounting estimates and the basis for our conclusion regarding the reasonableness of those estimates, (5) audit adjustments, if any, that could, in our judgment, either individually or in the aggregate be significant to the financial statements or our report, (6) any disagreements with the County's management concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements, (7) our views about matters that were the subject of the County's management's consultation with other accountants about auditing and accounting matters, (8) major issues that were discussed with the County's management in connection with the retention of our services, including, among other matters, any discussions regarding the application of accounting principles and auditing standards, and (9) serious difficulties that we encountered in dealing with the County's management related to the performance of the audit.

Other matters

Access to working papers

The working papers and related documentation for the engagement are the property of the Firm and constitute confidential information. We have a responsibility to retain the documentation for a period of time to satisfy legal or regulatory requirements for records retention. It is our policy to retain all workpapers and client information for seven years from the date of issuance of the report. It is our policy to retain emails and attachments to emails for a period of 12 months, except as required by any governmental regulation. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties. Any parties seeking voluntary access to our working papers must agree to sign our standard access letter.

We may be requested to make certain documentation available to regulators, governmental agencies (e.g., SEC, PCAOB, HUD, RD, DOL, etc.), or their representatives ("Regulators") pursuant to law or regulations. If requested, access to the documentation will be provided to the Regulators. The Regulators may intend to distribute to others, including other governmental agencies, our working papers and related documentation without our knowledge or express permission. You hereby acknowledge and authorize us to allow Regulators access to and copies of documentation as requested. In addition, our Firm, as well as all other major accounting firms, participates in a "peer review" program covering our audit and

accounting practices as required by the AICPA. This program requires that once every three years we subject our quality assurance practices to an examination by another accounting firm. As part of the process, the other firm will review a sample of our work. It is possible that the work we perform for the County may be selected by the other firm for their review. If it is, they are bound by professional standards to keep all information confidential. If you object to having the work we do for you reviewed by our peer reviewer, please notify us in writing.

Electronic transmittals

During the course of our engagement, we may need to electronically transmit confidential information to each other, within the Firm, and to other entities engaged by either party. Although email is an efficient way to communicate, it is not always a secure means of communication and thus, confidentiality may be compromised. As an alternative, we recommend using our Client Portal ("Portal") to transmit documents. Portal allows the County, us, and other involved entities to upload and download documents in a secure location. You agree to the use of email, Portal, and other electronic methods to transmit and receive information, including confidential information, between the Firm, the County, and other third party providers utilized by either party in connection with the engagement.

Use of third party providers and alternative practice structure

Cherry Bekaert LLP and Cherry Bekaert Advisory LLC (an associated, but not affiliated entity) are parties to an administrative services agreement ("ASA"). Cherry Bekaert LLP and Cherry Bekaert Advisory LLC are operating in an arrangement commonly described as an "alternative practice structure". Pursuant to the ASA, Cherry Bekaert LLP leases professional and administrative staff, both of which are employed by Cherry Bekaert Advisory LLC, to support Cherry Bekaert LLP's performance under this engagement letter. As a result, Cherry Bekaert LLP will share your confidential information with Cherry Bekaert Advisory LLC so that the leased employees are able to support Cherry Bekaert LLP's performance under this engagement letter. These leased employees are under the direct control and supervision of Cherry Bekaert LLP, which is solely responsible for the professional performance of the services under this engagement letter. The leased employees are subject to the standards governing the accounting profession, including the requirement to maintain the confidentiality of client information, and Cherry Bekaert LLP and Cherry Bekaert Advisory LLC have contractual agreements requiring confidential treatment of all client information.

To the extent Cherry Bekaert Advisory LLC will provide tax, advisory, and/or consulting services to you, Cherry Bekaert LLP will provide Cherry Bekaert Advisory LLC with access to your accounting, financial, and other records that Cherry Bekaert LLP maintains to enable Cherry Bekaert Advisory LLC to provide those services to you.

In addition to the structure noted above, in the normal course of business, we may on occasion use the services of an independent contractor or a temporary or loaned employee, all of whom may be considered a third party service provider. On these occasions, we remain responsible for the adequate oversight of all services performed by the third party service provider and for ensuring that all services are performed with professional competence and due professional care. We will adequately plan and supervise the services provided by the third party service provider; obtain sufficient relevant data to support the work product; and review compliance with technical standards applicable to the professional services rendered. We will enter into a contractual agreement with the third party service provider to maintain the confidentiality of information and be reasonably assured that the third party service provider has appropriate procedures in place to prevent the unauthorized release of confidential information to others.

Subpoenas

In the event we are requested or authorized by the County, or required by government regulation, subpoena, or other legal process to produce our working papers or our personnel as witnesses with respect to our engagement for the County, the County will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expense, as well as the fees and expenses of our counsel, incurred in responding to such a request at standard billing rates.

Independent contractor

Each party is an independent contractor with respect to the other and shall not be construed as having a trustee, joint venture, agency, or fiduciary relationship.

No third party beneficiaries

The parties do not intend to benefit any third party by entering into this agreement, and nothing contained in this agreement confers any right or benefit upon any person or entity who or which is not a signatory of this agreement.

Terms and conditions supporting fees

The estimated fees set forth in the attached engagement letter are based on anticipated full cooperation from the County's personnel, timely delivery of requested audit schedules and supporting information, timely communication of all significant accounting and financial reporting matters, the assumption that unexpected circumstances will not be encountered during the audit, as well as working space and clerical assistance as mutually agreed upon and as is normal and reasonable in the circumstances. We strive to ensure that we have the right professionals scheduled on each engagement. As a result, sudden County requested scheduling changes or scheduling changes necessitated by the agreed information not being ready on the agreed-upon dates can result in expensive downtime for our professionals. Any last minute schedule changes that result in downtime for our professionals could result in additional fees. Our estimated fees do not include assistance in bookkeeping or other accounting services not previously described. If, for any reason, the County is unable to provide such schedules, information, and assistance, the Firm and the County will mutually revise the fee to reflect additional services, if any, required of us to achieve these objectives.

The estimated fees contemplate that the County will provide adequate documentation of its systems and controls related to significant transaction cycles and audit areas.

In providing our services, we will consult with the County with respect to matters of accounting, financial reporting, or other significant business issues as permitted by professional standards. Accordingly, time necessary to affect a reasonable amount of such consultation is reflected in our fees. However, should a matter require research, consultation, or audit work beyond that amount, the Firm and the County will agree to an appropriate revision in our fee.

The estimated fees are based on auditing and accounting standards effective as of the date of this engagement letter and known to apply to the County at this time. Unless otherwise indicated, estimated fees do not include any time related to the application of new auditing or accounting standards that impact the County for the first time. If new auditing or accounting standards are issued subsequent to the date of this letter and are effective for the period under audit, we will estimate the impact of any such standard on the nature, timing, and extent of our planned audit procedures and will communicate with the County concerning the scope of the additional procedures and the estimated fees.

The County agrees to pay all costs of collection (including reasonable attorneys' fees) that the Firm may incur in connection with the collection of unpaid invoices. In the event of nonpayment of any invoice rendered by us, we retain the right to (a) suspend the performance of our services, (b) change the payment conditions under this engagement letter, or (c) terminate our services. If we elect to suspend our services, such services will not be resumed until your account is paid. If we elect to terminate our services for nonpayment, the County will be obligated to compensate us for all time expended and reimburse us for all expenses through the date of termination.

This engagement letter sets forth the entire understanding between the County and the Firm regarding the services described herein and supersedes any previous proposals, correspondence, and understandings whether written or oral. Any subsequent changes to the terms of this letter, other than additional billings, will be rendered in writing and shall be executed by both parties. Should any portion of this engagement letter be ruled invalid, it is agreed that such invalidity will not affect any of the remaining portions.
