Do you have any skills or experiences to help you serve on a committee?

Occupation: Telecommunications and technology consultant - 20 yrs

Local: Union County Master Gardener

participated in 2050 Comprehensive Plan committee

As President/CEO of the Union County Chamber and a former banker/entrepreneur, I have experience working on multiple committees and boards to achieve a common goal. In addition, I have years of experience volunteering on nonprofit and government boards. I believe my experience in finance, leadership, workforce development, business development, and community involvement will be beneficial in working with a committee to develop strategies to achieve objectives stated in the comprehensive plan.

My primary interest is working with the broadband committee to research and develop strategies to expand

Former Union County Commissioner

Current Chairman of Union Soil and Water Conservation District

Farmer with the appreciation of the value and integrity of quality open space

Lifelong resident of northeastern area Union County

Semi-retired with time to commit to committee requirements

20+ years involvement with attempt to bring higher speed internet access to all of

Union County residents

<https://www.linkedin.com/in/robert-mullis-1292566/>

[See the link above](#)

I currently work for Dell technologies as an Education Strategist. As part of my role, I'm on the Digital Inclusion Task force in which we are currently solving for many systemic issues including broadband access. I'm also on the North Carolina Business Community board in which we are partnering with leading industry and local government to solve for broadband access issue.

I have 40 years of experience in the high technology business. This experience has allowed me to witness the benefits of technology access and large-scale project management. In addition, I hold a doctorate in business administration. My education has given me a perspective on financial management and organizational dynamics. Although I have not held public office or been appointed to a board, I am eager to help out. I am partially retired, American Red Cross Board of Directors - many years ago.

US Army/NC National Guard Officer - many years ago.

Independent Contractor - Information Technology/Audio Video - current

I have served on a variety of industry boards as well as nonprofits over the years. Presently, I serve on the Downtown Advisory Board for the City of Monroe. I serve on the board of directors for Union Symphony, Apprentice Academy HS of NC, and Monroe Rotary. I serve as an ambassador for Union County Litter Busters. Prior to locating to UC, I served on the Privatization/Competition Advisory Committee for the City of Charlotte. Bjorn, I was on the 2050 Infrastructure Committee. I have a background in Education, Real Estate and Cost Management.

Employed with Clancy & Theys Construction so construction is my daily life.

I would engage fully with all tasks with my vast knowledge in the field.

I was appointed on CCAR board and enjoyed helping the community. I am a business owner of (3) businesses; Vinke Enterprises LLC, Realty Ready of Charlotte and Loan Officer with CrossCountry Mortgage. My husband is a civil engineer and with our business we deal with approvals, plans and drafting of many projects. I am interested

I am a Licensed Professional Engineer in North Carolina, Illinois and Michigan with experience working for Union County at the Yadkin Regional Water Plant (located in Unionville, NC). I have additional experience in green energy (solar and wind), new construction (commercial and residential in Chicago), surveying experience, site development and utilization studies, other heavy civil and light civil projects ranging from potable water. Currently appointed to union county planning board as an alternate. I have experience on farmland preservation policies as I was a beef farmer where I lived in NJ for 23 years. I have an undergrad and masters in Finance and certified as a Project Manager. I've been very active and vocal regarding the explosion of developments in Monroe /union county and want to be involved in defining "smart" growth that provides not only multiple residential options to those moving to our area but offset and balance it with open space preservation defined. I hold a Bachelor's in Environmental Science and currently work in water reclamation. I am working towards an Environmental Masters and have professional project management certifications in lean six sigma methodologies. I completed internships with NC non-profits focused on stormwater mitigation, infrastructure resiliency, coastal erosion control, and flooding during my undergrad. I am a lifelong resident of Union County, I co-founded a community group, Litter Busters of Union County. In addition to vast experience personally removing litter from roadsides, I have coordinated "litter sweeps" throughout the county working with community leaders, NCDOT and volunteers including schools. My group also promotes litter awareness in multiple aspects. I have previous experience in upper level business management including strong communication skills and team building. I worked with Family Dollar for 35 years and my last position was VP. Served on Environmental visioning committee; serving on Monroe Public Enterprise committee; founder of Litter Busters of Union County since 2017; already in process with UC Solid Waste to establish collaboration between this department and Litter Busters for purposes outlined here for this committee. Please check with me. I am a young professional with a demonstrated history of working for and volunteering with government organizations and nonprofits. I have been seeking more ways to get involved and work to help make the community even more compassionate, sustainable, and prosperous for all residents. I have also been working to increase youth civic engagement and protect accessibility rights for people with disabilities. I serve in many leadership roles which require planning, advisement, and analytical skills. I currently serve terms on the Waxhaw Parks, Cultural & Recreation Advisory Board and the Union County Parks and Recreation Advisory Committee. I currently serve as a Notary Public. I also serve on the North Carolina Council for the Deaf and Hard of Hearing. I am Executive VP and Treasurer Pepsi Charlotte (retired)

Served on board for Carolina Canners Incorporated

Served on Foundation Board for the North Carolina High School Athletic Assoc.

Advisory Board Member for Marvin's Park Recreation and Greenway Committee

Founder of MARSH, a chapter for the NC Wildlife Association

I established a county-wide litter control program that acquired both a state and national award when I was the Henry County Planning Director in Collinsville, VA. I have a productive litter-control in our subdivision (Crismark). I have been in Solid Waste and Recycling for fifteen years and have served on many committees. I have served on the Union County Heritage Festival Committee for nine years and on the Household Hazardous Waste Committee for ten years. My career has allowed me to reach out for new and novel skills and to have the opportunity. I was Chairman of the 2050 Comprehensive Plan and Chairman of the Citizens Subcommittee for the 2050 Plan. I serve on the City of Monroe Historic District Commission and the City of Monroe Planning Board. I have served on the City of Monroe Downtown Advisory Board.

Currently on the County Planning Board. I own and/or manage approx 700 acres of Real Estate in the County and have some rental property in the City of Monroe.

I am employed as a public utility director and am well versed in administration, capital improvement master planning, and oversight of the construction of multi-million dollar capital improvement projects. and most all facets associated with municipal utility operations including writing municipal interlocal and private agreements.

I am well versed in GIS applications and utilization to properly plan the expansion of utility assets. I have personal relationships with telecommunications contractors, who I can depend on to give me correct information and advice concerning the implementation of high-speed internet to rural areas of the county. I have an excellent working relationship with my North Carolina State Legislators. I reside in the New Salem area of Union County that has limited internet service and believe I can be helpful to my neighbors and other. Have been active and held office in community home owners associations in the past. Also served on the Planning Board for Indian Trail, NC, including chair leadership on an interim basis.

I am a certified community planner (AICP) by the American Planning Association and have been employed as a planning consultant for more than 20 years.

have been a stay at home parent for eleven years, lived in three other countries and am concerned about our environment. I have no other experience.

Retired U.C. Educator

U.C. Master Gardener Volunteer: Heritage Festival and Education Committees - many volunteer hours per year
Charlotte Blues Society Board: Blues in the Schools programs + past Treasurer

I have not run for an elected office or civil board. I am a retired regulatory specialist with a Chemical Engineering degree and over 30 years in multi-media (air, waste, water, Stormwater and SPCC plans, ERPs) environmental experience in the United States. I recently moved into Union County and would like to help my county address Attorney. Serve on board of adjustment.

I own a trucking company in union county and have lived here over 30 years

I have served on the Board of Adjustments for over 20 years

have also served on other county committees

I have been an employee and resident of Union County for almost 30 years. When I lived in Indian Trail I was appointed to the town Safety Committee. I currently reside in Weddington and serve as the President of our neighborhood HOA. Throughout my career with Union County I have worked in collaboration with the UCSO in ensuring public safety in our schools and community. I serve on the Union County Human Services Preparedness and Safety committee where we are charged with creating logistics and processes for moving equipment, people and products. In my current position as Human Services Manager, I am responsible for creating logistics and I used to work as a process control and efficiency specialist in the financial services industry at American Express and later worked for Wells Fargo. While there I also taught swim for the YMCA, Charlotte Latin and Swimmac. I have three kids and have served on the IB board and Treasurer for several school boards over the past 10 years. I left financial services and now work for full time for UCPS and currently work as a teacher for special needs students in UCPS. I am outside every morning and afternoon helping direct traffic through carline. I am familiar with most of the schools in Union County, and know many of the Principals and administration. I would like to Masters - Planning degree: Univ of Mississippi

Weddington Planning Commission member

As a former executive director and regional director for various nonprofit agencies, I have a wide range of skills and experience. People want to preserve open spaces, live in master planned communities and limit development. I have lived in these types of communities and would be willing to assist with researching options

Hello!! I am a current resident in the Town of Weddington. My work history is in Banking Technology where I was employed as an Executive Director at a Fortune 100 company. I transitioned to Real Estate a couple of years ago and have been doing that full time. I enjoy working with and serving my community. I have served on several boards including school boards as well as boards catered toward providing services to people with disabilities. Based on my work history and current knowledge, I can most strongly contribute to the School Siting Requirements and Broadband Internet Access committees. That said, I would like to be more involved in my community. I am retired, a former real estate agent, mother of adult children with grandchildren who attend public school.

I have come to recognize that our tax base is unique in that it is home/family based and not corporate based. This has caused many concerns by the public who feel they have no control over important aspects of family life in Union County. I would love to be in a position to influence all of the above and would love to help!!

Vision 2050 AG Committee Member, Cooperative Extension Advisory Council Member, Farm/City Committee Member, Union County Cattlemen's Association, President, North Carolina Simmental Association, Treasurer, North Carolina Cattlemen's Association, Board Member, Union Academy Charter School, Substitute Teacher, I have served on several boards and numerous committees. I hold a NC Professional Engineering (PE) license, am a Certified Floodplain Manager, and am an Envision Sustainability Professional (ENV SP). I wear multiple hats; mainly as a project manager and a water resources engineer. Additionally, I have extensive knowledge of the environment. I was on the Town of Indian Trail Stormwater Advisory Committee from 2017-2021, and am a licensed civil engineer with more than 13 years experience in stormwater analysis & design.

Currently serve on the Parks and Rec Board for Marvin, NC, I'm an active Union County Master Gardener and Master Naturalist for the Central Carolina region and serve on the local chapter of the NC Wildlife Federation, I have served over 20 years on various Marine Fisheries Advisories boards which have dealt with wide-ranging user conflict issues and environmental challenges. With that said I have extensive experience in advisory boards and their dynamics. I also hold an undergraduate degree in Geology which gives me insight into hydrology issues and impacts. I am a retired banker and have dealt with the good and the bad of property development over the years and the need to balance the wants of developers with the long-term impact on the community and environment.

I am a native North Carolinian and served as a Rotary District governor with responsibility for over 57 clubs and I have experience with this issue. Pulte developed a subdivision on our road that has caused extensive flooding to a creek and private pond which now backs up onto our property. I have done a lot of research on the issue and spoken with all sorts of people. My youngest son is in the construction business in Colorado and is responsible for Land Development with his company. He has been a valuable resource for my information. I do not want to see downstream flooding happening to property owners. I would love to be on this committee and I have served on several boards in TN and was Chamber President for one year. While working at a community College, I chaired the long range planning committee.

I can fill in on any of the committees where there is a need.

I am a recent graduate of the 2021 Leadership Union program for Union County Chamber of Commerce. In addition I work as a licensed real estate broker in Union County. I am very interested in being an active part of the community. Yes. I have a long history as a Professional Engineer working on diverse projects in multiple areas (NC, SC, FL, TX, KY, CT). Profession: I am a licensed Professional Engineer with approximately 20 years of experience in civil engineering. I have been working in the Carolinas for the past 10 years. My work experience has primarily focused on commercial land development and stormwater design, permitting and inspections.

Experience: In the past, I have assisted municipalities with their engineering and stormwater programs. This assistance has included review of plans, construction inspections and development of stormwater programs.

Training: On average each year, my training includes 1 or 2 stormwater related training courses. This year I attended a 1 day refresher course at NC State for my Stormwater Inspector certification, a 2 hour low impact

My background is in the development of various, restaurant, retail and hospitality venues for companies such as Universal and Disney. I think I could suggest helpful ideas for future developments and how to include more arts and creative outlets as well as design for family parks, for current and future residents. I have a very different perspective as well. I have lived in California most of my life and am now a current resident in Stallings. I think I am a personal trainer, an educator on healthy lifestyles, a martial artist, a yoga instructor and a firearms instructor. I have never held office outside of the title of chief executive mom.

Prior to my current occupation of the last 10 years, I owned a nanny agency and I have worked in banking.

Occupation: analytics consultant at Wells Fargo

I sell computer software in the ethics and compliance space for 26 years. I know how to negotiate and listen. I do have a MBA with a Finance concentration. And I care about Union County.

Registered Nurse, Board Member for Charlotte INS and HBA associations, Dedicated to keeping Union County Healthy and Vibrant, Level Headed, thoughtful, and dedicated

I have sat on the board of directors for multiple non-profits - Union County Extension Master Gardener Volunteer Association and Carolina Piedmont section of the American Chemical Society. My profession is as a UC 2030 Infrastructure Board / Global Program Manager, Transition and Transformation (financial systems and processes)/ Grad Cert in Project Management & projects with US Gov.

I am a doctor trained as an ND, with 2 additional PhD's in the areas of health and counseling. My research includes the safety and accessibility of broadband, as well as the most effective ways to incorporate this. Elected to PTA only, years ago. I'm a retired teacher, only tutor now. To me, relevant specialized training or experience isn't needed on these committees, just an open mind and heart for what's best.

I have not been on a board or an elected office. I am a mortgage banker with a passion for cleaning up and beautifying our environment. I have participated with the group Litter Busters of Union County. I live in Mineral Springs but have a Waxhaw zip code. We bought land here that had been dumped on by the previous owners and over the past 10-15 years we have cleaned it up and built a home which enhances the natural surroundings. I am a data analytics professional at Bank of America. I have served on the board of directors of an architectural governance company. I am currently the senior vice president of data governance for the chief administrative group at Bank of America. I am currently serving on the committee BofA's HOLA (Hispanic Opportunities for Latin I have strategic planning, training, data analysis, community safety, and law enforcement experience.

I am a Realtor

I have experience with group facilitation and developing educational programs through planning committees.

(CME Manager at USC School of Medicine in Columbia 2009-2016)

Currently board member for Girls on the Run of Union County.

Elections official for Union County elections since 2017.

Active volunteer in local public schools since Fall of 2016.

I have experience serving on a school board in Spotsylvania County, VA, one of Virginia's fastest growing counties. I was project manager for a large land development firm. I have >45 years Human Resources administration experience in small and large corporations. I have served on HOAs and authored HOA covenants & restrictions. I have experience in local, county, state & federal government. I am a published author. I have 30 years executive experience.

Previous board member chamber of commerce.

Currently consultant in supply chain and operations.

Doctorate in Business Administration.

I work in cybersecurity and have worked in technology for over 17 years.

I grew up in Flint, Michigan but was born in Lumberton, North Carolina (now in Weddington). By professional training, after college I worked as an accountant for General Motors for several years and later as a Federal Auditor performing various financial and performance audits, along with program evaluations for 35 years. Prior to my early retirement from the government, I was a commissioned Foreign Service Officer (FSO) with the U.S. Department of State/ U.S. Agency for International Development (USAID), Office of Inspector General (OIG).

At the USAID, OIG, as Audit Team Leader I covered U.S. and overseas programs; at the U.S. Equal Employment Opportunity Commission (EEOC) OIG I covered equal pay matters; and at the U.S. Government Accountability Office I worked in key positions on performance audits covering such diverse issues as the pay structure for the I am a CPA with extensive material experience, particularly in healthcare, information technology and finance

I am a retired corporate finance executive, having worked for over 40 years for several Fortune 100 companies. I currently serve on two boards, the Wesley Chapel Parks and Recreation Committee and the Waxhaw Main Street Advisory Board. I've also served on boards and commissions in Naperville, Illinois, and I participated in the I have been a member of various school advisory, Chamber and IT boards. Currently serve as the AVP of Economic and Workforce Sevelopment at South Piedmont Community College

I have been a resident here since 2007. I lived in Charlotte in latter half of the 1990's, and have worked as a Locum Tenens Physician all around our state. My children are graduates of UCPS and CMS. Varied perspectives : Grew up in agrarian/livestock community and have lived in NY and FL. I want to be involved.

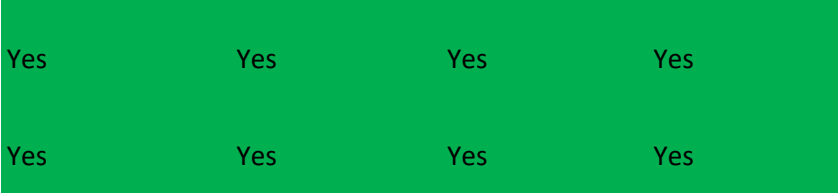

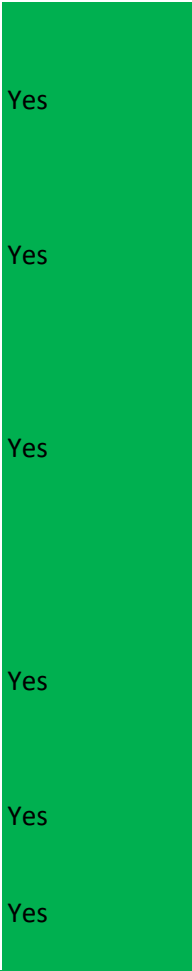

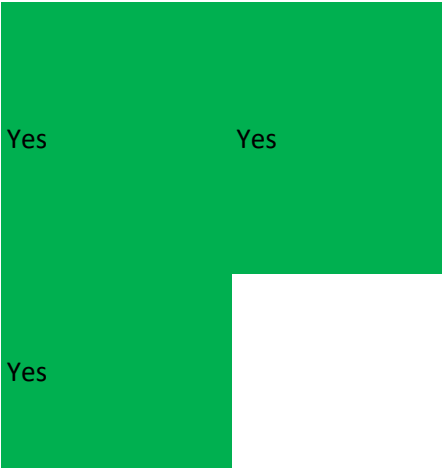

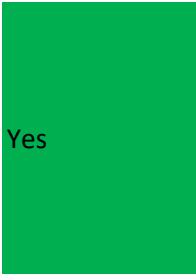

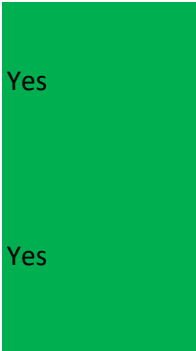

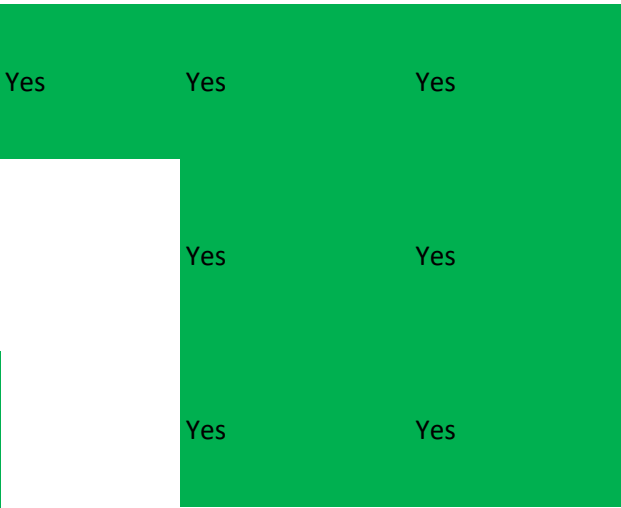

I work in information technology area as Tech lead in one of leading bank in our area
