

2026 Construction Bond Request

April 20, 2026

2026 Construction Bond Request

School	Bond Year	Total Amount
Parkwood HS Construction	2026	\$158,737,753
Piedmont MS Addition Ph. 1	2026	\$3,915,000
Wolfe Addition	2026	\$5,560,422
Contingency & Management	2026	\$5,046,395
2026 Bond Total		\$173,259,570

Bond Request: 2026

Project: Parkwood High School Phase 2 (Construction of Replacement School)

Type: Replacement Project

Details:

Execute planned construction of design from 2024 bond. This project is the commercial construction of a replacement high school that is over 60 years old on the adjacent property.

The design will incorporate a capacity between 1,500-1,600 students, with the anticipation of expanding CTE opportunities at the school. This project is inclusive of the replacement of the facilities with continued use of the existing stadium and adjacent athletic fields.

Timeline: 36 months from completion of permitting

Cost: \$158,737,753

Bond Request: 2026

Project: Piedmont Middle School Addition/Renovation - Ph.1

Type: Design and Preconstruction

Details:

Design work to be performed on this project involves additions and renovations to accommodate an increasing enrollment at an existing facility.

This work includes reconfiguration of “pie” shaped areas; gym addition/renovation; administration and front entrance; kitchen renovation and cafeteria expansion; mechanical, electrical, plumbing and ceiling upgrades; roof replacement; classroom addition and Ag Tech enhancements.

Timeline: 18 months

Cost: \$ 3,915,000

Bond Request: 2026

Project: Wolfe School Addition

Type: Expansion – Design and Construction

Details:

Perform design and construction of a classroom addition and gymnasium/cafeteria expansion in support of the growing enrollment of the school.

Timeline: 24 months

Cost: \$5,560,422

Bond Request: 2026

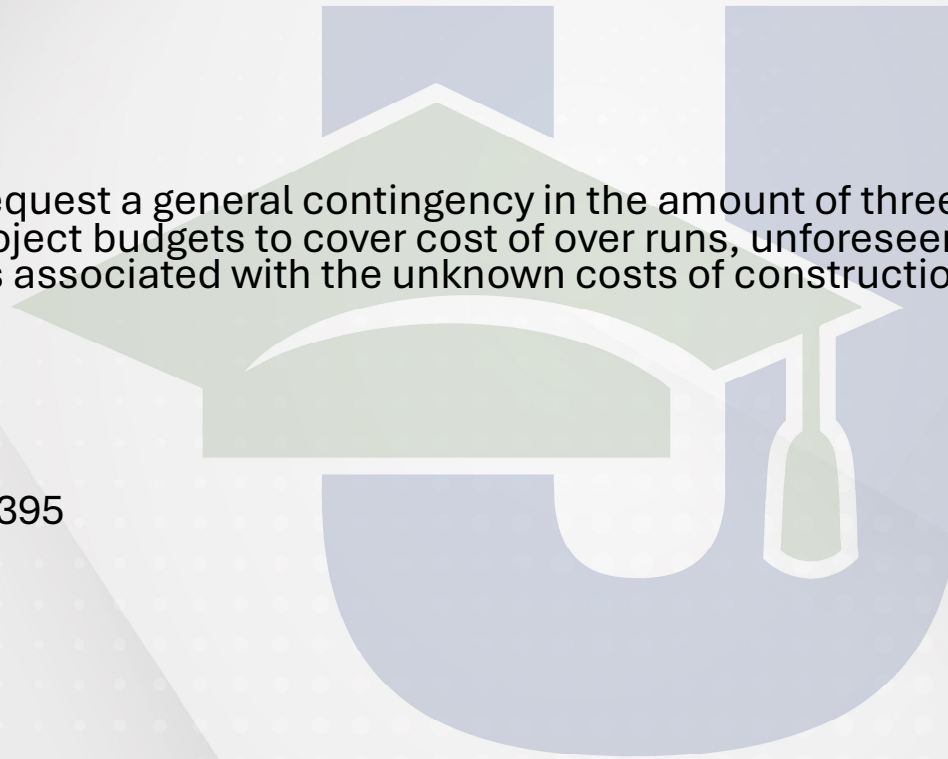

Project: Program Contingency/Management

Type: N/A

Details: We request a general contingency in the amount of three (3) percent based on the total of the final project budgets to cover cost of over runs, unforeseen conditions, changes in scope or other items associated with the unknown costs of construction.

Timeline: N/A

Cost: \$5,046,395
