NORTH CAROLINA GENERAL TERMS & CONDITIONS

1. PERFORMANCE:

- a) It is anticipated that the tasks and duties undertaken by the Vendor under the contract which results from the State solicitation in this matter (Contract) shall include Services, and/or the manufacturing, furnishing, or development of goods and other tangible features or components, as deliverables.
- b) Except as provided herein, and unless otherwise mutually agreed in writing prior to award, any deliverables not subject to an agreed Vendor license and provided by Vendor in performance of this Contract shall be and remain property of the State. During performance, Vendor may provide proprietary components as part of the deliverables that are identified in this Contract. Vendor grants the State a personal, permanent, non-transferable license to use such proprietary components of the deliverables and other functionalities, as provided under this Contract. Any technical and business information owned by Vendor or its suppliers or licensors made accessible or furnished to the State shall be and remain the property of the Vendor or such other party, respectively. Vendor agrees to perform under the Contract in at least the same or similar manner provided to comparable users and customers. The State shall notify the Vendor of any defects or deficiencies in performance or failure of deliverables to conform to the standards and specifications provided in this Contract. Vendor agrees to timely remedy defective performance or any nonconforming deliverables on its own or upon such notice provided by the State.
- c) Vendor has a limited, non-exclusive license to access and use State Data provided to Vendor, but solely for performing its obligations under and during this Agreement and in confidence as further provided for herein or by law.
- d) Vendor or its suppliers, as specified and agreed in the Contract, shall provide support assistance to the State related to all Services performed or other deliverables procured hereunder during the State's normal business hours. - e) The State may document and take into account in awarding or renewing future procurement contracts the general reputation, performance and performance capabilities of the Vendor under this Contract as provided by G.S. 143-52 and 143-135.9 (a) and (b) (Best Value).

2. DEFAULT AND TERMINATION:

- a) In the event of default by the Vendor, the State may, as provided by NC law, procure goods and services necessary to complete performance hereunder from other sources and hold the Vendor responsible for any excess cost occasioned thereby. *See*, G.S. 25-2-712. In addition, and in the event of default by the Vendor under the Contract, or upon the Vendor filing a petition for bankruptcy or the entering of a judgment of bankruptcy by or against the Vendor, the State may immediately cease doing business with the Vendor, terminate the Contract for cause, and take action to recover relevant damages, and if permitted by applicable law, debar the Vendor from doing future business with the State. 01 NCAC 05B.1520.
- b) If, through any cause, Vendor shall fail to fulfill in a timely and proper manner the obligations under the Contract, including, without limitation, in these North Carolina General Terms and Conditions, the State shall have the right to terminate the Contract by giving thirty days written notice to the Vendor and specifying the effective date thereof. In that event, any or all finished or unfinished deliverables that are

to the extent necessary for the State to use such property), and the Vendor shall be entitled to receive just and equitable compensation for any acceptable deliverable completed (or partially completed at the State's option) as to which such option is exercised. Notwithstanding, Vendor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the Contract, and the State may withhold any payment due the Vendor for the purpose of setoff until such time as the exact amount of damages due the State from such breach can be determined. The State, if insecure as to receiving proper performance or provision of goods deliverables, or if documented Vendor Services performance issues exist, under this Contract, may require at any time a performance bond or other alternative performance guarantees from a Vendor without expense to the State as provided by applicable law. G.S. 143-52(a); 01 NCAC 05B.1521; G.S. 25-2-609.

The State reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the Contract.

5. **AVAILABILITY OF FUNDS:** Any and all payments to the Vendor shall be dependent upon and subject to the availability of funds appropriated or allocated to the agency for the purpose set forth in the Contract.

Chapter 143, Article 3, and the Rules in 01 NCAC Chapter 05, and any applicable successor provisions, without regard to its conflict of laws rules, and within which State all matters, whether sounding in Contract, tort or otherwise, relating to its validity, construction, interpretation and enforcement shall be determined. G.S. 22B-3.
- b) Vendor shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business and its performance in accordance with the Contract, including those of federal, state, and local agencies having jurisdiction and/or authority, and including, without limitation, the applicable requirements in the Federal Funds Provisions, below.
- c) Non-resident Vendor corporations not formed under NC law must be domesticated in the Office of the NC Secretary of State in order to contract with the State of North Carolina. G.S. 55A-15-01.

8. **NON-DISCRIMINATION COMPLIANCE:**

Wholly State Funded Contracts.

- a) The Vendor will take affirmative action in complying with all State requirements and laws concerning fair employment and employment of people with disabilities, and concerning the treatment of all employees without regard to discrimination by reason of race, color, religion, sex, national origin or disability or rights, such as preserved by Governor Roy Cooper Order E.O. 24 or 25, and will take necessary action to ensure that its internal employee policies and procedures are consistent with Executive Order #82 (Roy Cooper, December 6, 2018), which extends workplace protections and accommodations to pregnant employees.
- b) Federal Law, such as the following, applies as provided for therein: Titles VI and VII of the Civil Rights Act of 1964 (PL 88-352), and the regulations issued pursuant thereto (prohibiting discrimination on the basis race, color, national origin and ensuring that individuals are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age); Title IX of the Education Amendments of 1972 (codified as amended at 20 U.S.C. § 1681 et seq.) (prohibiting discrimination on the basis of sex); Titles I, II, III, IV, and V of the Americans with Disability Act of 1990 (prohibiting discrimination on the basis of disability); Section 504 of the Rehabilitation Act of 1973 (codified as amended at 29 U.S.C. § 794) (prohibiting discrimination on the basis of handicap); the Age Discrimination Act of 1975 (codified as amended at 42 U.S.C. § 6101 et seq.) (prohibiting age discrimination); Executive Order 11063 as amended by Executive Order 2259; and Section 109 of the Housing and Community Development Act of 1974, as amended.

Contracts Partially or Wholly Federally Funded.

To the extent federal funding is involved in this procurement, in whole or in part, compliance with the following is required:

- c) The Vendor shall comply with all Federal Funds Provisions requirements (below) and not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- d) The Vendor shall, in all solicitations or advertisements for employees placed by or on behalf of the Vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin:
- e) The Vendor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Vendor's legal duty to furnish information.
- f) The Vendor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Vendor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- g) In the event of the Vendor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Vendor may be declared ineligible for further Government contracts or federally assisted construction Contracts.
- h) The Vendor shall include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted, so that such provisions will be binding upon each subcontractor or vendor. The Vendor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Vendor (or herein "applicant," as applicable in context within these Federal Funds Provisions) becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Vendor may request the United States to enter into such litigation to protect the interests of the United States.
- i) The Vendor further agrees that it shall be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the Vendor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.
- j) The Vendor agrees that it shall assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Vendors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it shall furnish the administering

agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it shall otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

k) proceedings.

9. **PAYMENT TERMS:** Payment terms are net not later than 30 days after receipt of a correct invoice or acceptance of goods, whichever is later. The Procuring Agency is responsible for all payments to the Vendor under the Contract. Payment by some agencies may be made by procurement card. If the Vendor accepts Visa, MasterCard, etc., from other customers, it shall accept procurement card payment by the State under the terms provided for the procurement card. 01 NCAC 05B.1523. If payment is made by procurement card, then payment for amounts then due may be processed immediately by the Vendor.

The State does not agree in advance, in contract, pursuant to Constitutional limitations, to pay costs such as interest, late fees, penalties or attorney's fees. This Contract will not be construed as an agreement by the State to pay such costs and will be paid only as ordered by a court of competent jurisdiction.

10. **CONDITION AND PACKAGING:** Unless otherwise expressly provided by special terms and conditions or specifications in the Contract or by express, specific federal law or rule, it is understood and agreed that any item offered or shipped has not been sold or used for any purpose, is newly manufactured, and shall be in first class condition. All containers/packaging shall be suitable for handling, storage or shipment.

11. **INTELLECTUAL PROPERTY WARRANTY AND INDEMNITY:** Vendor shall hold and save the State, its officers, agents and employees, harmless from liability of any kind, including costs and expenses, resulting from infringement of the rights of any third party in any Services or copyrighted material, patented or patent-pending invention, article, device or appliance delivered in connection with the Contract.

a) Vendor warrants to the best of its knowledge that:

1. Performance under the Contract does not infringe upon any intellectual property rights of any third party; and
2. There are no actual or threatened actions arising from, or alleged under, any intellectual property rights of any third party.

b) Should any deliverables supplied by Vendor become the subject of a claim of infringement of a patent, copyright, trademark or a trade secret in the United States, the Vendor, shall at its option and expense, either procure for the State the right to continue using the deliverables, or replace or modify the same to become non-infringing. If neither of these options can reasonably be taken in Vendor's judgment, or if further use shall be prevented by injunction, the Vendor agrees to cease provision of any affected deliverables and refund any sums the State has paid Vendor for such deliverables and make every reasonable effort to assist the State in procuring substitute deliverables. If, in the sole opinion of the State, the cessation of use by the State of any such deliverables due to infringement issues makes the retention of other items acquired from the Vendor under this Agreement impractical, the State shall then have the option of terminating the Agreement, or applicable portions thereof, without penalty or termination charge; and Vendor agrees to refund any sums the State paid for unused Services or other deliverables.

c) The Vendor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the deliverables supplied by the Vendor, their use or operation, infringe on a patent, copyright, trademark or violate a trade secret in the United States. The Vendor shall pay those costs and damages finally awarded or agreed in a settlement against the State in any such action. Such defense and payment shall be conditioned on the following:

1. That the Vendor shall be notified within a reasonable time in writing by the State of any such claim; and

2. That the Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise provided, however, that the State shall have the option to participate in such action at its own expense.

d) Vendor will not be required to defend or indemnify the State to the extent any claim by a third party against the State for infringement or misappropriation results solely from the State's material alteration of any Vendor-branded deliverables or Services, or from the continued use of the Services or other deliverables after receiving written notice from the Vendor of the claimed infringement.

12. ADVERTISING: Vendor agrees not to use the existence of the Contract or the name of the State of North Carolina as part of any commercial advertising or marketing of products or Services except as provided in 01 NCAC 05B.1516. A Vendor may inquire whether the State is willing to be included on a listing of its existing customers.

13. ACCESS TO PERSONS AND RECORDS:

(a) During, and after the term hereof during the relevant period required for retention of records by State law (G.S. 121-5, 132-1 *et seq.*, typically five years), the State Auditor and any Purchasing Agency's internal auditors shall have access to persons and records related to the Contract to verify accounts and data affecting fees or performance under the Contract, as provided in G.S. 143-49(9). However, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of such retention of records period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the record retentions period, whichever is later.

(b) The following entities may audit the records of this contract during and after the term of the contract to verify accounts and data affecting fees or performance:

1. The State Auditor.
2. The internal auditors of the affected department, agency or institution.
3. The Joint Legislative Commission on Governmental Operations and legislative employees whose primary responsibility is to provide professional or administrative services to the Commission.

(c) The Joint Legislative Commission on Governmental Operations has the authority to:

1. Study the efficiency, economy and effectiveness of any non-State entity receiving public funds.
2. Evaluate the implementation of public policies, as articulated by enacted law, administrative rule, executive order, policy, or local ordinance, by any non-State entity receiving public funds.
3. 15. INSURANCE: This section provides minimum insurance coverage rates that are applicable to most moderate risk solicitations. Agency Risk Analysis will determine if higher insurance coverage amounts are needed based on the likelihood and severity of exposure to the State. The analysis is documented in writing in the official file and considers the following non-exclusive factors:

1. Potential for damage to State property or property of a third party,
2. Potential for bodily injury to State employees or third parties,
3. Whether Vendor will transport State property, clients, or employees,
4. Use of a vehicle to accomplish the work or to travel to or from State locations,
5. Anticipated physical contacts of the Vendor with the State,
6. Anticipated number and activity of Vendor personnel within the State, and
7. Any other unique considerations that could result in harm, bodily injury, or property damage.

The Purchasing Agency has specified elsewhere in this Contract any increase in the minimum insurance coverage requirements below if the risk from the above factors is high.

- a) **REQUIREMENTS-** Providing and maintaining adequate insurance coverage is a material obligation of the Vendor and is of the essence of the Contract. All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the NC Commissioner of Insurance to do business in North Carolina. The Vendor shall at all times comply with the terms of such insurance policies, and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or the Contract. The limits of coverage under each insurance policy maintained by the Vendor shall not be interpreted as limiting the Vendor's liability and obligations or the indemnification requirements under the Contract. As provided above, a State agency is authorized, upon written evaluation and substantiation in the official file of the significant risk of bodily injury and/or property or other damage in the contract, to require and enforce higher coverage limits to mitigate the potential risk of liability to the State.
- b) **COVERAGE-** During the term of the Contract, the Vendor at its sole cost and expense shall provide commercial insurance of such type and with such terms and limits as may be reasonably associated with the Contract. At a minimum, the Vendor shall provide and maintain the following coverage and limits, subject to higher requirements by an agency after the risk analysis indicated above:
1. **For Small Purchases** as defined under North Carolina Administrative Code 01 NCAC 05A.0112 (35) and 05B.0301 (1), the minimum applicable insurance requirements for Worker's Compensation and Automobile Liability will apply as required by North Carolina law. The Purchasing Agency may require Commercial General Liability coverage consistent with the assessed risks involved in the procurement.
 2. **For Contracts valued in excess of the Small Purchase threshold, but up to \$1,000,000.00 the following limits shall apply:**
 - i. **Worker's Compensation** - The Vendor shall provide and maintain Worker's Compensation Insurance, as may be required by the laws of North Carolina, as well as employer's liability coverage, with minimum limits of \$250,000.00, covering all of Vendor's employees who are engaged in any work under the Contract in North Carolina. If any work is sub-Contracted, the Vendor shall require the sub-contractor to provide the same coverage for any of its employees engaged in any work under the Contract within the State.
 - ii. **Commercial General Liability**- General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of \$500,000.00 Combined Single Limit. Defense costs shall be in excess of the limit of liability.
 - iii. **Automobile**- Automobile Liability Insurance, to include liability coverage covering all owned, hired and non-owned vehicles, used within North Carolina in connection with the Contract. The minimum combined single limit shall be \$250,000.00 bodily injury and property damage; \$250,000.00 uninsured/under insured motorist; and \$2,500.00 medical payment.
 3. **For Contracts valued in excess of \$1,000,000.00 the following limits shall apply:**
 - i. **Worker's Compensation** - The Vendor shall provide and maintain Worker's Compensation Insurance, as may be required by the laws of North Carolina, as well as employer's liability coverage, with minimum limits of \$500,000.00, covering all of Vendor's employees who are engaged in any work under the Contract in North Carolina. If any work is sub-Contracted, the Vendor shall require the sub-contractor to provide the same coverage for any of its employees engaged in any work under the Contract within the State.
 - ii. **Commercial General Liability**- General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of \$1,000,000.00 Combined Single Limit. Defense costs shall be in excess of the limit of liability.
 - iii. **Automobile**- Automobile Liability Insurance, to include liability coverage covering all owned, hired and non-owned vehicles, used within North Carolina in connection with the Contract. The

minimum combined single limit shall be \$500,000.00 bodily injury and property damage; \$500,000.00 uninsured/under insured motorist; and \$5,000.00 medical payment.

16. GENERAL INDEMNITY:

- a) The Vendor shall indemnify, defend and hold and save the State, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses accruing or resulting to any other person, firm, or corporation furnishing or supplying work, Services, materials, or supplies in connection with the performance of the Contract, and also from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Vendor in the performance of the Contract that are attributable to the negligence or intentionally tortious acts of the Vendor, provided that the Vendor is notified in writing within 30 days from the date that the State has knowledge of such claims.
- b) The Vendor, at its own expense shall defend any action brought against the State, under this section. The Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that the State shall have the option to participate in such action at its own expense.
- c) The Vendor represents and warrants that it shall make no claim of any kind or nature against the State's agents who are involved in the delivery or processing of Vendor deliverables or Services as part of this Contract with the State.
- d) As part of this provision for General indemnity, if federal funds are involved in this procurement, the Vendor warrants that it will comply with all relevant and applicable federal requirements and laws, and will indemnify, defend and hold and save the State harmless from any claims or losses resulting to the State from the Vendor's noncompliance with such federal requirements or law in the performance of this Contract. The representations and warranties in the preceding two sentences shall survive the termination or expiration of the Contract.
- e) The State does not participate in indemnification due to Constitutional restrictions, or arbitration, which effectively and unacceptably waives jury trial. *See*, G.S. 22B-3,-10.

17. ELECTRONIC PROCUREMENT: (G.S. 143-48.3)

GENERALLY APPLICABLE TO GOODS AND SERVICES PURCHASES:

- a) Purchasing shall be conducted through the Statewide E-Procurement Service. The State's third-party agent shall serve as the Supplier Manager for this E-Procurement Service. The Vendor shall register for the Statewide E-Procurement Service within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of this Contract.
- b) The Supplier Manager will capture an order from a State approved user, including the shipping and payment information, and submit the order in accordance with E-Procurement Service procedures. Subsequently, the Supplier Manager will send those orders to the appropriate Vendor on State Contract. The State or State-approved user, not the Supplier Manager, shall be responsible for the solicitation, bids received, evaluation of bids received, award of Contract, and the payment for goods delivered.
- c) Vendor shall at all times maintain the confidentiality of its username and password for the Statewide E-Procurement Services. Vendor shall be responsible for all activity and all charges by its agents or employees. Vendor agrees not to permit a third party to use its E-Procurement Services account. If there is a breach of security through the Vendor's account, Vendor shall immediately change its password and notify the Supplier Manager of the security breach by email. Vendor shall cooperate with the State and the Supplier Manager to mitigate and correct any security breach.

E-PROCUREMENT FEES – APPLICABLE ONLY TO GOODS PURCHASES

- d) **THE SUCCESSFUL BIDDER(S) SHALL PAY A TRANSACTION FEE, CURRENTLY 1.75% (.0175), ON THE TOTAL DOLLAR AMOUNT (EXCLUDING SALES TAXES) FOR THE AMOUNT OF ANY GOODS INCLUDED ON EACH PURCHASE ORDER ISSUED THROUGH THE STATEWIDE E-PROCUREMENT SERVICE (OR ANY OFFICIAL REPLACEMENT**

SERVICE). G.S. 66-58.12; See, *NC E-Procurement Terms of Use*. This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order. The transaction fee shall not be stated or included as a separate item on the invoice. Vendor will receive a credit for transaction fees they paid for the purchase of any item(s) if an item(s) is returned through no fault of the Vendor. Transaction fees are non-refundable when an item is rejected and returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the Contract.

- e) Vendor or its Authorized Reseller, as applicable, will be invoiced monthly for the State's transaction fee by the E-Procurement Supplier Manager (Supplier Manager), based on a) purchase activity for the prior month, or b) purchases for which the supplier invoice has been paid. Unless the Supplier Manager receives written notice from the Vendor identifying with specificity any errors in an invoice for the transaction fee within thirty (30) days of the receipt of invoice, such invoice shall be deemed to be correct and Vendor shall have waived its right to later dispute the accuracy and completeness of the invoice. Payment of the transaction fee by the Vendor is due to the account designated by the State within thirty (30) days after receipt of the invoice for the transaction fee, or it shall be considered a material breach of Contract.

Pursuant to G.S. 147-86.23, the service will charge 1) interest on past due balances at the rate set by the Secretary of Revenue pursuant to G.S. 105-241.21 as of the date the balances are past due, and, 2) late payment penalties, currently ten percent (10%) of the account receivable. No interest shall be charged on disputed and overdue amounts to the extent the State agrees to reduce or adjust the amount in dispute. The Supplier Manager shall provide, whenever reasonably requested by the Vendor in writing (including electronic documents), supporting documentation from the E-Procurement Service that accounts for the amount of the invoice.

18. **SUBCONTRACTING:** Performance under the Contract by the Vendor shall not be subcontracted without prior written approval of the State's assigned Contract Lead. Unless otherwise agreed in writing, acceptance of a Vendor's proposal shall include approval to use the subcontractor(s) that have been specified therein.
19. **CONFIDENTIALITY:** Vendor information that cannot be shown to be, e.g., a trade secret, may be subject to public disclosure under the terms of the State Public Records Act (SPRA), beginning at G.S. 132.1. Blanket assertions of confidentiality are not favored, but confidentiality of specific material meeting one or more exceptions in the SPRA will be honored. Vendors are notified that if the confidentiality of material is challenged by other parties, the Vendor has the responsibility of defending the assertion of confidentiality. G.S. 143-52(a).
20. **CARE OF STATE DATA AND PROPERTY:** Any State property, information, data, instruments, documents, studies or reports given to or prepared or assembled by or provided to the Vendor under the Contract shall be kept as confidential, used only for the purpose(s) required to perform the Contract and not divulged or made available to any individual or organization without the prior written approval of the State.

The State's data and property in the hands of the Vendor shall be protected from unauthorized disclosure, loss, damage, destruction by a natural event or another eventuality. The Vendor agrees to reimburse the State for loss or damage of State property while in Vendor's custody. Such State Data shall be returned to the State in a form acceptable to the State upon the termination or expiration of this Agreement.

The Vendor shall notify the State of any security breaches within 24 hours as required by G.S. 143B1379. For further information, see, G.S. 75-60 *et seq.* **Notice** is given to the Vendor that the NC Department of Information Technology (DIT) has requirements relating to the security of the State network, and rules relating to the use of the State network, IT software and equipment, that the Vendor must comply with, as applicable. See, e.g., G.S. 143B-1376.

21. **OUTSOURCING:** Any Vendor or subcontractor providing call or contact center services to the State of North Carolina or any of its agencies shall disclose to inbound callers the location from which the call or contact center services are being provided.

If, after award of a Contract, and consistent with any applicable NC DIT security provisions, the Contractor wishes to relocate or outsource any portion of performance to a location outside the United States, or to contract with a subcontractor for any such performance, which subcontractor and nature of the work has not previously been disclosed to the State in writing, prior written approval must be obtained from the State Purchasing Agency. Vendor shall give notice to the Purchasing Agency of any relocation of the Vendor, employees of the Vendor, subcontractors of the Vendor, or other persons providing performance under a State Contract to a location outside of the United States. *See, G.S. 14359.4.*

- 22. ENTIRE AGREEMENT:** The Contract (including any documents mutually incorporated specifically therein) resulting from a relevant solicitation represents the entire agreement between the parties and supersedes all prior oral or written statements or agreements. All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the Contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.
- 23. ELECTRONIC RECORDS:** The State will digitize all Vendor responses to the relevant solicitation, if not received electronically, as well as any awarded Contract together with associated procurement-related documents. These electronic copies shall constitute a preservation record and shall serve as the official record of this procurement with the same force and effect as the original written documents comprising such record. Any official electronic copy, printout or other output readable by sight shown to reflect such record accurately shall constitute an "original."
- 24. AMENDMENTS:** This Contract may be amended only by a written amendment duly executed by the State and the Vendor.
- 25. NO WAIVER:** Notwithstanding any other language or provision in the Contract or in any Vendor-supplied material, nothing herein is intended nor shall be interpreted as a waiver of any right or remedy otherwise available to the State under applicable law. The waiver by the State of any right or remedy on any one occasion or instance shall not constitute or be interpreted as a waiver of that or any other right or remedy on any other occasion or instance.
- 26. FORCE MAJEURE:** Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations as a result of events beyond its reasonable control, including, without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, strikes or failures or refusals to perform under subcontracts, civil insurrection, earthquake, hurricane, tornado, other catastrophic epidemic or pandemic, natural event or Act of God.
- 27. SOVEREIGN IMMUNITY:** Notwithstanding any other term or provision in the Contract, nothing herein is intended nor shall be interpreted as waiving any claim or defense based on the principle of sovereign immunity or other State or federal constitutional provision or principle that otherwise would be available to the State under applicable law.
- 28. FEDERAL FUNDS PROVISIONS:**

Where federal funds are utilized in connection with this procurement, and to the extent applicable and absent stricter or controlling State provisions, the following federal provisions (in addition to the North Carolina General Terms and Conditions above) may apply consistent with Uniform Guidance in 2 C.F.R. § 200.326 and 2 C.F.R. - a) **No governmental non-competes.** Vendor shall not impose or enforce any non-competition agreement upon the employees included in Vendor's bid that would prevent those employees from accepting any offer of employment from the State of North Carolina outside of the first Term of the Contract. By executing this Contract, the Vendor affirms this condition. This affirmation is a material condition for the State's award of any work under this Contract.

- b) **Program Monitoring.** Vendor agrees to assist and cooperate with the Federal grantor or funding agency and the relevant Purchasing Agency or their duly designated representatives in the monitoring of the project or projects to which this Contract relates, and to provide in form and manner approved by the Purchasing Agency such monitoring reports, progress reports, and the like as may be required and to provide such reports at the times specified.

2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in 29 C.F.R. §5.5(b)(1) the Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. 3. *Withholding for unpaid wages and liquidated damages.* The Purchasing Agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Vendor or subcontractor under any such contract or any other Federal contract with the same prime Vendor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Vendor, such sums as may be determined to be necessary to satisfy any liabilities of such Vendor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in 29 C.F.R. §5.5(b)(2).

The Sections entitled Controlling Agreement, Restrictions, Data Collection and Use, Confidentiality, Your Representations and Indemnification, Limited Warranty, Limitation of Liability, Termination, Survival, Assignment, Relationship, Governing Law and Venue, Equitable Relief and Severability shall survive the expiration or termination of this Agreement.

14. GENERAL.

14.1 Assignment. You may not assign or transfer this Agreement without the prior written consent of CrowdStrike. You shall provide written notice to CrowdStrike of any such assignment upon consummation of the assignment. Any attempted assignment or transfer in violation of the foregoing will be void. Subject to the requirements of FAR 42.12, at any time, CrowdStrike may assign its rights or delegate its obligations under this Agreement without notice or consent.

14.2 Relationship. The parties are independent contractors under this Agreement, and nothing contained herein shall be construed as creating any agency, partnership, employment, or other form of joint enterprise between the parties. Nothing contained in this Agreement will be construed to (i) give either party the power to direct and control the day-to-day activities of the other, (ii) create a principal-agent or employer-employee relationship, or (iii) give either party the authority to bind the other party to any contract with a third party.

14.3 Subcontractors. Unless otherwise specified in a Statement of Work, we may use third party subcontractors and/or our Affiliates in the performance of this Agreement. CrowdStrike shall be responsible for its subcontractors and Affiliates complying with this Agreement.

14.4 Governing Law and Venue. The laws of the United States govern this Agreement if between a U.S. Government agency and CrowdStrike. If there is no applicable U.S. Federal law, the laws of the State of California govern this Agreement. For all other Customers, the laws of the State of California govern this Agreement. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement. Except if the Customer is a U.S. Federal agency, any action or proceeding arising from or relating to this Agreement must be brought exclusively in a federal or state court seated in Orange County, California, and in no other venue. Except if the Customer is a U.S. Federal agency, each party irrevocably consents to the personal jurisdiction and venue in, and agrees to service of process issued by, any such court. Notwithstanding the foregoing, CrowdStrike reserves the right to file a suit or action in any court of competent jurisdiction as CrowdStrike deems necessary to protect its intellectual property and proprietary rights and to recoup any unpaid fees.

14.5 Equitable Relief. You agree that the Products and Services contains CrowdStrike's valuable trade secrets and proprietary information and that any actual or threatened disclosure or misappropriation of such information would constitute immediate, irreparable harm to CrowdStrike for which monetary damages would be an inadequate remedy. Therefore, in addition to any other rights and remedies that may be available to CrowdStrike at law or in equity, any such actual or threatened disclosure may be stopped through injunctive proceedings without the posting of a bond.

14.6 Waivers and Amendments. All waivers must be in writing. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion. This Agreement may be amended only by a written document signed by you and CrowdStrike.

14.7 Severability. If any provision of this Agreement is held by a court to be void, invalid, unenforceable or illegal, the other provisions shall continue in full force and effect.

14.8 Force Majeure and Availability. Neither party shall be liable for, nor shall either party be considered in breach of this Agreement due to, any failure to perform its obligations under this Agreement (other than its payment obligations) as a result of a cause beyond its control, including but not limited to, any act of God or a public enemy, act of any military, civil or regulatory authority, change in any law or regulation, fire, flood, earthquake, storm or other like event, disruption or outage of communications (including the Internet or other networked environment), power or other utility, labor problem, or any other cause, whether similar or dissimilar to any of the foregoing, which could not have been prevented with reasonable care. You acknowledge and agree that the Products and Services are subject to downtime for routine and emergency maintenance and no refunds or credits will be provided for such service unavailability.

14.9 Signatures. These Terms and Conditions may be executed in two counterparts, each of which will be considered an original but all of which together will constitute one agreement. Any signature delivered by electronic means shall be treated for all purposes as an original. Each of the parties below represents and warrants that the signatory is duly authorized to execute and deliver this Agreement and each of CrowdStrike and Customer agrees to be bound hereby.
